

Diamondback Tactical FFP 4-16x44 MOA

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

Want the performance of a high-dollar optic while paying a fraction of the price?

It sounds impossible, but the Vortex Diamondback Tactical 4-16x44mm FFP Riflescope offers just that, bringing high-end features to the average shooter. Thanks to the first-focal plane design, the Vortex Diamondback Tactical 4-16x44mm FFP Riflescope allows users to observe the target at any magnification level using the feature-rich EBR-2C reticle. This means that elevation, windage and distance can all be discerned just by looking through the optic!

Each Vortex Diamondback Tactical 4-16x44mm FFP Riflescope is built on a single-piece aluminum tube complete with fully multi-coated lenses and low-profile, easy-use turrets.

VORTEX OPTICS Diamondback Tactical FFP 416x44 Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Diamondback Tactical FFP 416x44 Riflescope. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the riflescope.

General Safety Guidelines

- Always handle the riflescope with care to avoid damage.
- Ensure that the riflescope is securely mounted on your firearm before use.
- Do not use the riflescope for purposes other than its intended use.
- Keep the riflescope out of reach of children and vulnerable individuals.
- Regularly inspect the riflescope for any signs of damage or wear.
- Follow all local laws and regulations regarding the use of firearms and optics.

Specific Safety Precautions for Use

- Avoid looking directly at the sun through the riflescope, as this can cause permanent eye damage.
- Ensure that the riflescope is properly adjusted for your eyesight and shooting conditions before use.
- Use the riflescope only in safe shooting environments, free from obstructions and hazards.
- Be aware of your target and what lies beyond it before taking a shot.
- Use appropriate eye protection while using the riflescope.

Instructions for Installation and Usage

1. Mounting the Riflescope:

- Ensure the firearm is unloaded before mounting the riflescope.
- Use the provided mounting rings to securely attach the riflescope to the firearm's rail.
- Tighten the mounting screws evenly to avoid misalignment.

2. Adjusting the Riflescope:

- Set the magnification to the desired level using the magnification ring.
- Use the turrets to adjust the elevation and windage according to your shooting needs.
- Confirm that the reticle is in focus by adjusting the eyepiece.

3. Using the Riflescope:

- Position your eye at the designated eye relief distance (3.80 inches) for optimal viewing.
- Align the reticle with your target and make necessary adjustments.
- Maintain a stable shooting position for accurate aiming.

Disposal Instructions

- Dispose of the riflescope in accordance with local regulations for electronic and optical devices.
- Do not dispose of the riflescope in regular household waste.
- Consider recycling options for materials where applicable.

Contact Information for Further Support

For any inquiries or concerns regarding the VORTEX OPTICS Diamondback Tactical FFP 416x44 Riflescope, please refer to the manufacturer's contact details provided on the packaging or official website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your VORTEX OPTICS Diamondback Tactical FFP 416x44 Riflescope. Thank you for your attention to safety.
