# VORTEX OPTICS Switchview Safety Instruction Guide

## Introduction

Thank you for choosing the VORTEX OPTICS Switchview. This guide provides essential safety instructions and information to ensure the safe and effective use of your new accessory. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as outlined in this guide.
- Always inspect the product for any signs of damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local regulations and guidelines regarding the use of optical equipment.
- In case of any incidents or accidents involving this product, report them to the appropriate authorities immediately.
- Regularly check for updates on product recalls on the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Avoid using the Switchview in extreme weather conditions, such as heavy rain or snow, which may affect functionality.
- Do not force the Switchview onto the magnification ring; it should attach and detach smoothly.
- Always ensure your hands are dry and clean before handling the Switchview to prevent slips or accidental drops.
- Use caution when adjusting the magnification to avoid pinching or injury.
- Do not modify or attempt to repair the Switchview. Contact a qualified technician for any repairs.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the scope is securely mounted on your firearm or equipment before attaching the Switchview.
- Align the Switchview with the magnification ring.
- Gently push the Switchview onto the magnification ring until it is firmly in place. Ensure that it is secure and does not wobble.

### 2. Usage

- To adjust magnification, grip the Switchview firmly and turn it smoothly in the desired direction.
- Avoid sudden or jerky movements while adjusting to maintain precision and control.
- After use, remove the Switchview if desired by gently pulling it off the magnification ring.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and aluminum materials.
- Do not dispose of the product in household waste. Instead, utilize designated recycling facilities or collection points.

## **Contact Information for Further Support**

For any questions, concerns, or to report unsafe products, please contact the appropriate local authorities or visit the EU Safety Gate platform for more information.

Thank you for your attention to these safety guidelines. Enjoy using your VORTEX OPTICS Switchview!
