VORTEX OPTICS Switchview Throw Lever Safety Instructions

Introduction

Thank you for choosing the VORTEX OPTICS Switchview Throw Lever. This guide provides essential safety instructions and usage information to ensure your product is used safely and effectively. Please read this document carefully before using the product.

General Safety Guidelines

To ensure your safety and the safety of others, please follow these general safety guidelines:

- Always read and follow the manufacturer's instructions.
- Ensure the product is used only for its intended purpose.
- Regularly inspect the product for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

When using the VORTEX OPTICS Switchview Throw Lever, please observe the following safety precautions:

- Ensure that the throw lever is securely attached to the magnification ring before use.
- Do not force the throw lever if it does not move smoothly; check for obstructions.
- Avoid using the throw lever in extreme weather conditions that may affect functionality.
- Do not attempt to modify or disassemble the throw lever.
- Use caution when handling the product to avoid injury from sharp edges.

Instructions for Installation and Usage

To ensure optimal performance and safety, follow these instructions for installation and usage:

Installation

1. **Prepare the Equipment:** Ensure your scope is securely mounted on your firearm or equipment.
2. **Attach the Switchview:**
 - Align the Switchview with the magnification ring.
 - Gently slide the Switchview onto the ring until it clicks into place.
3. **Check Security:** Ensure the Switchview is firmly attached and does not wobble.

Usage

1. **Adjusting Magnification:**
 - Grasp the Switchview lever firmly.
 - Move the lever smoothly to transition between magnification settings.
2. **Maintenance:**
 - Regularly clean the lever using a soft cloth to remove dirt and debris.
 - Inspect the lever for any signs of damage or wear before each use.

Disposal Instructions

When it comes time to dispose of the VORTEX OPTICS Switchview Throw Lever, please follow these guidelines:

- Do not dispose of the product in regular household waste.
- Check local regulations for proper disposal methods for aluminum and other materials.
- Consider recycling the product if possible, as it is made from recyclable materials.

Contact Information for Further Support

For any questions or concerns regarding the VORTEX OPTICS Switchview Throw Lever, please refer to the manufacturer's contact details provided on the product packaging or the official VORTEX OPTICS website.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your VORTEX OPTICS Switchview Throw Lever. Thank you for your attention to safety.
