VORTEX OPTICS Switchview Throw Lever Safety Instructions

Introduction

Thank you for choosing the Vortex Viper PST GEN II Switchview Throw Lever. This product is designed to enhance your experience by allowing smooth and quick transitions between magnification settings. To ensure your safety and the longevity of your product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- **Product Safety:** This product has been designed and manufactured to comply with EU safety standards. Always use the product as intended to avoid any risks.
- **Enhanced Recalls:** In the unlikely event of a product recall, you will be notified through standardized notices. Please keep an eye out for any communications regarding recalls.
- **Online Shopping:** If you purchase this product online, you will receive the same safety protections as if you purchased it in a physical store. Ensure that the online platform adheres to safety requirements.
- **Special Consumer Focus:** Extra care should be taken when this product is used around vulnerable groups, such as children. Always supervise its use.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Stay informed about any updates regarding product safety through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Use Only as Intended:** This throw lever is designed for use with Vortex Viper PST GEN II riflescopes. Do not attempt to use it with other products.
- **Avoid Excessive Force:** When adjusting the throw lever, use a gentle touch. Excessive force may damage the lever or the riflescope.
- **Check Compatibility:** Ensure that the throw lever is compatible with your specific model of Vortex Viper PST GEN II riflescope before installation.
- **Regular Inspections:** Periodically check the throw lever for signs of wear or damage. If you notice any issues, cease use immediately and consult a professional.
- **Keep Out of Reach of Children:** This product contains small parts that could pose a choking hazard. Store it in a safe place away from children.

Instructions for Installation and Usage

Installation

1. **Prepare Your Workspace:** Choose a clean, welllit area to work in. Ensure that you have all necessary tools at hand.
2. **Remove the Scope Cap:** If applicable, remove the scope cap from your Vortex Viper PST GEN II riflescope.
3. **Position the Throw Lever:** Align the splinting construction of the throw lever with the magnification adjustment knob on your riflescope.
4. **Secure the Lever:** Gently press the throw lever onto the knob and ensure it fits snugly. The lever should not wobble or move excessively.
5. **Test the Installation:** Once installed, test the lever by adjusting the magnification. It should move smoothly without resistance.

Usage

- **Adjusting Magnification:** To change the magnification, simply flick the throw lever with your wrist. This allows for quick transitions while maintaining focus on your target.
- **Removing the Lever:** If you need to remove the throw lever, gently pull it off the magnification knob. It should come off easily without the need for excessive force.

Disposal Instructions

- **Recycling:** When disposing of this product, please consider recycling. The throw lever is made from aluminum, which is recyclable. Check local recycling guidelines to ensure proper disposal.
- **Environmental Considerations:** Do not dispose of the product in general waste. Follow local regulations regarding the disposal of nonfood products.

Contact Information for Further Support

For any questions or concerns regarding the Vortex Viper PST GEN II Switchview Throw Lever, please refer to the contact information provided by your retailer or manufacturer. They will be able to assist you with any inquiries related to product safety, usage, or warranty.

Thank you for your attention to these safety instructions. Enjoy your Vortex Viper PST GEN II Switchview Throw Lever and the enhanced performance it brings to your shooting experience.
