

## Defender Flip Cap, Eyepiece

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Lens Covers](#)

Virtually indestructible, these caps will fit snugly on nearly all Vortex Optics and features a snap flat spring that will keep your line of sight unobstructed. Rifle ranges the world over are littered with broken flip caps. This is one cap you will most likely never see in a flip cap boneyard.

The Eyepiece cap has three stop positions. The first vertical, to put your dope disk (optional accessory) literally right in your face. The second at a 45° and the third at 90° to lay flat back. The Eyepiece cap fits all Vortex Riflescopes except the 1-inch tube Viper model VPR-M-01BDC, VPR-M-04BDC and VPR-M-03BDC.

# VORTEX OPTICS Defender Flip Cap, Eyepiece Safety Instruction Guide

## Introduction

Thank you for choosing the VORTEX OPTICS Defender Flip Cap, Eyepiece. This product is designed to enhance your shooting experience by providing a durable and functional solution for lens protection. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the cap out of reach of children to prevent choking hazards.
- Regularly inspect the cap for any signs of damage or wear before use.
- In case of any malfunction or damage, discontinue use immediately and report the issue.

## Specific Safety Precautions for Use

- Do not force the cap onto the eyepiece; ensure it fits snugly without excessive pressure.
- Avoid exposing the cap to extreme temperatures or harsh chemicals, as these may compromise its integrity.
- When adjusting the stop positions, do so gently to prevent breakage.
- Use caution when handling the cap near the eyepiece to avoid scratches or damage to the lens.

## Instructions for Installation and Usage

### 1. Installation:

- Align the cap with the eyepiece of your Vortex Riflescope.
- Gently push the cap onto the eyepiece until it fits snugly in place.
- Ensure that the cap is securely attached and does not obstruct your line of sight.

### 2. Adjusting the Cap:

- The Eyepiece cap has three stop positions:
  - **Vertical Position:** For quick access to your dope disk (optional accessory).
  - **45° Position:** For a comfortable viewing angle.
  - **90° Position:** To lay flat back when not in use.
- To adjust, gently pull the cap and rotate it to the desired position.

### 3. Removal:

- To remove the cap, grasp it firmly and pull it straight off the eyepiece without twisting.
- Store the cap in a safe location when not in use to prevent loss or damage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic waste.
- Do not incinerate the product, as it may release harmful substances.
- If the product is damaged beyond use, consider recycling the materials where applicable.

## **Contact Information for Further Support**

For any questions or concerns regarding the VORTEX OPTICS Defender Flip Cap, Eyepiece, please refer to your retailer or the manufacturer's official website for support and additional information.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the VORTEX OPTICS Defender Flip Cap, Eyepiece!
