

Diamondback HD 10x42

[Optics & Mounting](#) > [Binoculars & Accessories](#) > [Binoculars](#)

Nobody wants to spend more than they have to for a solid pair of binoculars. But what if you could spend less while getting more out of your glass? That's what you get with these Vortex Optics Diamondback HD binoculars, which are designed to provide premium performance at a price you'll love. In the price vs. performance game, there's only one winner, and that's the Vortex Optics Diamondback HD binos. This optic option offers a clear, crisp sight picture and even ships with the company's GlassPak binocular harness, so you can keep your observation tool secured in the field. Magnification options in the Vortex Diamondback HD lineup include 8x, 10x and 12x options, with objective sizes ranging from 28mm to 50mm.

VORTEX OPTICS Diamondback HD Safety Instructions

Introduction

Thank you for choosing the Vortex Optics Diamondback HD binoculars. This guide provides essential safety instructions to ensure proper use and maintenance of your binoculars while complying with the EU General Product Safety Regulation (GPSR). Please read this guide thoroughly before using your binoculars.

General Safety Guidelines

- Ensure that the binoculars are used only for their intended purpose.
- Always inspect the binoculars for any visible damage before use.
- Keep binoculars out of reach of children to prevent accidents.
- Avoid using the binoculars in extreme weather conditions that may cause damage.
- Do not disassemble or modify the binoculars in any way.

Specific Safety Precautions for Use

- When using binoculars, always hold them securely to avoid dropping.
- Use the provided GlassPak binocular harness to keep the binoculars secure during use.
- Avoid looking directly at the sun through the binoculars, as this can cause serious eye damage.
- Be cautious when using binoculars in crowded areas to avoid bumping into others.
- If you experience any discomfort while using the binoculars, discontinue use immediately.

Instructions for Installation and Usage

1. Initial Inspection:

- Check for any signs of damage or defects.
- Ensure that all parts are included as per the packaging list.

2. Fitting the GlassPak Harness:

- Place the binoculars into the harness.
- Adjust the straps for a comfortable fit.

3. Adjusting the Binoculars:

- Use the central focus wheel to adjust the focus.
- Adjust the right eyepiece for individual eyesight differences.

4. Using the Binoculars:

- Hold the binoculars with both hands.
- Look through the eyepieces and adjust the focus as needed.
- Use the field of view to locate your subject.

5. Cleaning and Maintenance:

- Use a soft, dry cloth to clean the lenses.
- Avoid using harsh chemicals or abrasive materials.
- Store the binoculars in a cool, dry place when not in use.

Disposal Instructions

- Dispose of the binoculars in accordance with local regulations.
- Do not dispose of electronic components in regular household waste.
- Consider recycling options for the materials used in the binoculars.

Contact Information for Further Support

For any safety inquiries or support related to your Vortex Optics Diamondback HD binoculars, please reach out to the designated EU contact point provided with your product documentation.

Thank you for ensuring your safety and the safety of others while using your Vortex Optics Diamondback HD binoculars. Enjoy your viewing experience!
