

# Diamondback HD 10x28

[Optics & Mounting](#) > [Binoculars & Accessories](#) > [Binoculars](#)

Nobody wants to spend more than they have to for a solid pair of binoculars. But what if you could spend less while getting more out of your glass? That's what you get with these Vortex Optics Diamondback HD binoculars, which are designed to provide premium performance at a price you'll love. In the price vs. performance game, there's only one winner, and that's the Vortex Optics Diamondback HD binos. This optic option offers a clear, crisp sight picture and even ships with the company's GlassPak binocular harness, so you can keep your observation tool secured in the field. Magnification options in the Vortex Diamondback HD lineup include 8x, 10x and 12x options, with objective sizes ranging from 28mm to 50mm.

# VORTEX OPTICS Diamondback HD 10x28 Safety Instruction Guide

## Introduction

Thank you for choosing the VORTEX OPTICS Diamondback HD 10x28 binoculars. This guide provides essential safety instructions to ensure the safe and effective use of your binoculars. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure safe use of the binoculars by following all instructions provided in this guide.
- Be aware of potential hazards that may arise during use, including but not limited to:
  - Eye strain from prolonged use.
  - Risk of dropping the binoculars, which may cause damage or injury.
  - Potential for sharp edges or small parts that could pose a hazard.
- Always keep the binoculars out of reach of children and vulnerable individuals to prevent accidents.
- Use the binoculars only for their intended purpose – observing distant objects.
- Avoid using the binoculars in extreme weather conditions, such as heavy rain or strong winds, to prevent damage.

## Specific Safety Precautions for Use

- **Eye Protection:**
  - Do not look directly at the sun or other bright light sources through the binoculars, as this can cause serious eye damage.
- **Handling:**
  - Always hold the binoculars securely with both hands to avoid dropping them.
  - Use the provided GlassPak binocular harness to keep the binoculars secure while in use.
- **Cleaning and Maintenance:**
  - Use a soft, dry cloth to clean the lenses. Avoid using harsh chemicals or abrasive materials.
  - Store the binoculars in a protective case when not in use to prevent scratches and damage.

## Instructions for Installation and Usage

1. **Unpacking:**
  - Carefully remove the binoculars from the packaging. Check for any visible damage or missing parts.
2. **Adjusting the Binoculars:**
  - Adjust the eyecups by twisting them up or down to fit your eye relief preferences.
  - Use the central focus wheel to adjust the clarity of the image.
3. **Using the Binoculars:**
  - Hold the binoculars with both hands, ensuring a firm grip.
  - Look through the eyepieces while adjusting the focus to obtain a clear image.
  - Use the binoculars at a comfortable distance from your eyes to prevent strain.
4. **Storing the Binoculars:**
  - When not in use, store the binoculars in a cool, dry place.
  - Use the provided case to protect the binoculars from dust and damage.

## Disposal Instructions

- Dispose of the binoculars responsibly at the end of their life cycle.
- Do not dispose of the binoculars in regular household waste.

- Check local regulations for proper disposal methods or recycling options for optical devices.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding your VORTEX OPTICS Diamondback HD binoculars, please refer to the manufacturer's contact information provided on the packaging or the official website.

Thank you for your attention to these safety instructions. Enjoy your VORTEX OPTICS Diamondback HD binoculars responsibly!
