

Diamondback HD 8x28

[Optics & Mounting](#) > [Binoculars & Accessories](#) > [Binoculars](#)

Nobody wants to spend more than they have to for a solid pair of binoculars. But what if you could spend less while getting more out of your glass? That's what you get with these Vortex Optics Diamondback HD binoculars, which are designed to provide premium performance at a price you'll love. In the price vs. performance game, there's only one winner, and that's the Vortex Optics Diamondback HD binos. This optic option offers a clear, crisp sight picture and even ships with the company's GlassPak binocular harness, so you can keep your observation tool secured in the field. Magnification options in the Vortex Diamondback HD lineup include 8x, 10x and 12x options, with objective sizes ranging from 28mm to 50mm.

VORTEX OPTICS Diamondback HD 8x28 Safety Instructions

Introduction

Thank you for choosing the VORTEX OPTICS Diamondback HD 8x28 binoculars. These binoculars are designed to enhance your outdoor viewing experience while ensuring your safety. This guide provides essential safety instructions and usage guidelines in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the binoculars are used only for their intended purpose.
- Keep the binoculars out of reach of children to prevent accidents.
- Regularly check for any damage or wear before use.
- Avoid using the binoculars in extreme weather conditions that may cause damage.
- Do not disassemble the binoculars; doing so may void the warranty and pose safety risks.

Specific Safety Precautions for Use

- *Avoid looking directly at the sun through the binoculars, as this can cause permanent eye damage.*
- *Use the binoculars with both hands to maintain stability and prevent drops.*
- *Be aware of your surroundings while using the binoculars to avoid accidents or injuries.*
- *If the binoculars become wet, dry them thoroughly before storing them to prevent mold and damage.*

Instructions for Installation and Usage

1. Using the GlassPak Binocular Harness:

- Place the harness over your head and adjust the straps for a comfortable fit.
- Attach the binoculars to the harness using the provided clips.
- Ensure that the binoculars are secured before moving.

2. Adjusting the Binoculars:

- Hold the binoculars with both hands.
- Adjust the eyecups by twisting them up or down depending on whether you wear glasses.
- Use the central focusing wheel to achieve a clear image.

3. Storing the Binoculars:

- Store the binoculars in a dry, cool place when not in use.
- Use the provided lens covers to protect the lenses from dust and scratches.
- Avoid placing heavy objects on top of the binoculars during storage.

Disposal Instructions

- Dispose of the binoculars in accordance with local waste regulations.
- If the binoculars are damaged beyond repair, consider recycling components where possible.
- Do not dispose of the binoculars in regular household waste if they contain electronic components.

Contact Information for Further Support

For any safety inquiries or support regarding your VORTEX OPTICS Diamondback HD binoculars, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety instructions. Enjoy your outdoor experiences with the VORTEX OPTICS Diamondback HD binoculars while keeping safety as a priority.
