

Vanquish binocular - VORTEX OPTICS Vanquish 10x26 binocular

[Optics & Mounting](#) > [Binoculars & Accessories](#) > [Binoculars](#)

One of Vortex's smallest and lightest weight binoculars - the Vanquish 10x26. It is perfect for taking on a hunt or backpacking. The wide field of view makes quick work of scanning the landscape, helping you locate your objective. The reverse Porro prism design of the Vanquish 10x26s ensures a highly portable construction, while fully multicoated, anti-reflective lens coatings gather light to provide you with brighter, crisper images. O-ring sealed and nitrogen-purged. Therefore this binocular is waterproof, fogproof, and dustproof. Rubber armoring protects the housing and provides a secure grip, even when the weather gets rough.

There's a beautiful world out there, and the Vortex Vanquish 10x26 binoculars let you see it up close and in vivid detail!

VORTEX OPTICS Vanquish 10x26 Binoculars

Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Vanquish 10x26 binoculars. This guide provides essential safety instructions and usage guidelines to ensure your binoculars are used safely and effectively. Please read this guide carefully before using your binoculars.

General Safety Guidelines

- **Product Safety:** The VORTEX OPTICS Vanquish binoculars are designed to meet safety standards for nonfood products. Ensure safe use by following these guidelines.
- **Enhanced Recalls:** Be aware of any recall notices related to your binoculars. You can find updates on the EU's Safety Gate platform.
- **Online Shopping:** If purchased online, ensure the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra care is advised for vulnerable groups, including children. Always supervise children when using binoculars.
- **EU Contact Point:** For safety inquiries, refer to the EU-based contact information provided by your retailer.
- **Rapid Alerts:** Stay informed about any safety alerts regarding the product through the Safety Gate system.

Specific Safety Precautions for Use

- **Avoid Direct Sunlight:** Do not point the binoculars directly at the sun or any intense light source, as this can damage your eyes.
- **Moisture Exposure:** While the binoculars are waterproof, avoid submerging them in water. Use them in wet conditions with caution.
- **Proper Handling:** Use both hands to hold the binoculars securely to prevent accidental drops.
- **Eyecup Adjustment:** If you wear eyeglasses, adjust the twistup eyecups to ensure comfortable viewing.
- **Storage:** Store the binoculars in a dry, cool place when not in use to prevent damage to the lenses and body.
- **Regular Inspection:** Check the binoculars regularly for any signs of damage or wear. If you notice any issues, discontinue use and seek support.

Instructions for Installation and Usage

1. Unpacking:

- Carefully remove the binoculars from the packaging.
- Inspect the product for any visible damage or missing parts.

2. Adjusting the Binoculars:

- **Eyecup Adjustment:** Twist the eyecups up or down to accommodate your eyeglasses or for comfortable viewing.
- **Focusing:** Use the center focus wheel to adjust the clarity of the image. For best results, focus on a stationary object.

3. Using the Binoculars:

- Hold the binoculars with both hands and bring them up to your eyes.
- Look through the eyepieces and adjust the focus until the image is clear.
- Scan the landscape slowly to locate your objective.

4. **Cleaning:**

- Use a soft, lintfree cloth to clean the lenses. Avoid using abrasive materials that could scratch the lenses.
- For stubborn dirt or smudges, use lens cleaning solution specifically designed for optics.

Disposal Instructions

- **Environmental Considerations:** Dispose of the binoculars in accordance with local regulations. Do not dispose of them in regular household waste.
- **Recycling:** Check if any parts of the binoculars can be recycled. Refer to local recycling guidelines for more information.

Contact Information for Further Support

For any questions or concerns regarding the VORTEX OPTICS Vanquish binoculars, please refer to the contact information provided by your retailer or visit the official VORTEX OPTICS website for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your VORTEX OPTICS Vanquish 10x26 binoculars. Enjoy exploring the beautiful world around you!
