MDT LSSXL Gen 2 Fixed Stock Chassis System

Safety Instructions

Introduction

Thank you for choosing the MDT LSSXL Gen 2 Fixed Stock Chassis System for your Remington 700. This safety instruction guide is designed to help you understand the safe use, installation, and disposal of your chassis system, ensuring compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the safety instructions before using the product.
- Ensure that the chassis system is compatible with your specific firearm model.
- Use the product only for its intended purpose. This chassis system is designed for use with the Remington 700 rifle.
- Keep the chassis system out of reach of children and unauthorized users.
- Inspect the chassis system regularly for any signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always handle firearms with care and follow all local laws and regulations regarding firearms.
- Ensure that the firearm is unloaded before installing or modifying the chassis system.
- Use only AICStype detachable magazines that are compatible with this chassis system.
- When using the chassis system, maintain a proper shooting stance and grip to prevent accidents.
- Do not modify the chassis system in ways not recommended by the manufacturer.
- Always wear appropriate eye and ear protection when using firearms equipped with the chassis system.

Instructions for Installation and Usage

Installation

1. **Prepare the Firearm:** Ensure that your Remington 700 is completely unloaded. Check the chamber and magazine.
2. **Remove the Existing Stock:** Detach the factory stock from your Remington 700 following the manufacturer's instructions.
3. **Install the Chassis:**
 - Align the action of the Remington 700 with the chassis system.
 - Secure the action using the provided screws and tools. Ensure all screws are tightened to the recommended torque specifications.
4. **Attach the Buttstock:** Install an AR riflestyle fixed buttstock and buffer tube as per the manufacturer's guidelines.
5. **Install the Pistol Grip:** Attach the required pistol grip securely to the chassis.
6. **Check Compatibility:** Ensure that the AICStype detachable magazine fits properly in the chassis system.

Usage

- Always perform a function check after installation to ensure that the chassis is installed correctly and functions as intended.
- Familiarize yourself with the handling characteristics of the modified firearm before use.
- Store the firearm in a secure location when not in use and ensure it is inaccessible to unauthorized individuals.

Disposal Instructions

- Dispose of the chassis system in accordance with local regulations regarding the disposal of aluminum and firearm accessories.
- Do not dispose of the product in regular household waste. Check for local recycling programs that accept aluminum components.
- Ensure that all parts are rendered unusable before disposal to prevent unauthorized use.

Contact Information for Further Support

For any safety inquiries or further support regarding your MDT LSSXL Gen 2 Fixed Stock Chassis System, please contact the manufacturer or authorized dealer.

Reporting Unsafe Products

If you encounter any unsafe conditions or incidents involving this product, report them to the relevant authorities. Stay informed about potential recalls or safety updates by checking the EU's Safety Gate platform.

By following these safety instructions, you can ensure the safe use of your MDT LSSXL Gen 2 Fixed Stock Chassis System and enjoy a reliable shooting experience. Thank you for prioritizing safety.
