

# M-Lok Picatinny Rail - MDT Accessories - Rails - M-LOK Picatinny Rail - 4.0" (8 slots) - BLK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

MDT's M-LOK Picatinny Rails are designed to be a reliable addition to our chassis systems when installing various accessories on your bolt action rifle. They are machined from 6061-T6 aluminum, then hard-anodized black for a durable finish. The rails also feature laser etched positioning markers making repeatable set ups easier. They come in a variety of lengths, feature an integral QD flush cup sling mount (on 4" and longer rails) and include the necessary hardware for mounting to M-LOK compatible attachment systems, which are currently integrated in many of our chassis system and forend designs.

# MDT MLok Picatinny Rail Safety Instructions

## Introduction

Thank you for choosing the MDT MLok Picatinny Rail. This product is designed to enhance your bolt action rifle by allowing the attachment of various accessories. To ensure your safety and the safe use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions to prevent accidents or injuries.
- Always inspect the product for any damage or wear before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the rail is securely mounted to the chassis system before attaching any accessories.
- Do not exceed the weight limit of the rail when attaching accessories.
- Avoid using the product in extreme weather conditions unless specified as suitable by the manufacturer.
- Be cautious of sharp edges during installation and handling.
- Ensure that all accessories attached to the rail are compatible and securely fastened.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components for installation, including the provided hardware.
- Ensure that the work area is clean and free from distractions.

### 2. Installation:

- Align the MLok Picatinny Rail with the designated MLok slots on your chassis system.
- Insert the mounting hardware through the rail and into the MLok slots.
- Tighten the hardware securely, ensuring that the rail is firmly attached and does not move.

### 3. Usage:

- Attach your preferred accessories to the Picatinny rail once it is securely installed.
- Regularly check the tightness of the accessories and the rail to ensure safe operation.

### 4. PostUse:

- After use, inspect the rail and accessories for any signs of wear or damage.
- Store the rifle and accessories in a safe and secure location.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding aluminum and other materials.
- Do not dispose of the product in general waste. Check with local authorities for recycling options.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with your purchase.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your MDT MLoc Picatinny Rail!
