

M-Lok Picatinny Rail - MDT Accessories - Rails - M-LOK Picatinny Rail - 5.5" (12 slots) - BLK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

MDT's M-LOK Picatinny Rails are designed to be a reliable addition to our chassis systems when installing various accessories on your bolt action rifle. They are machined from 6061-T6 aluminum, then hard-anodized black for a durable finish. The rails also feature laser etched positioning markers making repeatable set ups easier. They come in a variety of lengths, feature an integral QD flush cup sling mount (on 4" and longer rails) and include the necessary hardware for mounting to M-LOK compatible attachment systems, which are currently integrated in many of our chassis system and forend designs.

MDT MLoc Picatinny Rail Safety Instruction Guide

Introduction

Thank you for choosing the MDT MLoc Picatinny Rail. This product is designed to enhance the functionality of your bolt action rifle by allowing the installation of various accessories. While using this product, please follow the safety guidelines outlined in this document to ensure safe and effective use.

General Safety Guidelines

- Always ensure that the rifle is unloaded before installing or adjusting the rail.
- Inspect the rail and mounting hardware for any signs of damage before use.
- Ensure that all accessories mounted on the rail are securely attached to avoid accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Installation Safety:

- Use appropriate tools to install the rail as per the instructions provided.
- Avoid overtightening screws, which could damage the rail or the chassis.

• Use Safety:

- Do not exceed the weight limit specified for accessories mounted on the rail.
- Ensure that all accessories are compatible with MLOK systems.

• Transport Safety:

- When transporting your rifle, ensure the rail and accessories are secured to prevent movement and damage.

• Environmental Safety:

- Avoid exposing the rail to extreme temperatures or corrosive environments to maintain its integrity.

Instructions for Installation and Usage

1. Installation Steps:

- Gather necessary tools including a hex wrench and the included mounting hardware.
- Ensure the rifle is unloaded and pointed in a safe direction.
- Align the MLoc Picatinny Rail with the MLOK slots on your chassis.
- Insert the screws through the rail into the MLOK slots.
- Tighten the screws using the hex wrench until secure, but do not overtighten.

2. Usage Steps:

- Attach any compatible accessories to the rail using the appropriate mounting hardware.
- Confirm that all accessories are securely attached before use.
- Perform a function check to ensure everything is working properly.

Disposal Instructions

- When disposing of the MDT MLok Picatinny Rail, follow local regulations for metal recycling.
- Ensure that any accessories that are no longer in use are also disposed of in accordance with local waste management guidelines.

Contact Information for Further Support

For any inquiries or support regarding the MDT MLok Picatinny Rail, please refer to the contact information provided by the retailer where you purchased the product. They will assist you with any safety concerns or product-related questions.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our priority. Enjoy using your MDT MLok Picatinny Rail responsibly!
