Specific Safety Precautions for Use

When using the SCHMEISSER Solid Tube Set, please adhere to the following precautions:

- Ensure that the Solid Sleeve is securely attached to the lower receiver before use.
- Do not use the product if it shows signs of damage or if any parts are missing.
- Avoid using excessive force during installation to prevent damage to the components.
- Always use a QD sling swivel that is compatible with the QD socket provided.
- Be aware of your surroundings and ensure that the firearm is pointed in a safe direction during use.
- Do not modify or alter the product in any way that could compromise its integrity or safety.

Instructions for Installation and Usage

To properly install and use the SCHMEISSER Solid Tube Set, follow these steps:

1. Preparation

- Ensure that the firearm is unloaded and placed on a stable surface.
- Gather all necessary tools for installation.

2. Installation

- Remove the existing buffer tube from the lower receiver.
- Attach the MilSpec Buffer Tube to the lower receiver, ensuring it is firmly secured.
- Slide the Solid Sleeve over the buffer tube and align it with the critical points on the lower receiver.
- Secure the Solid Sleeve using the Castle Nut, ensuring it is tightened to prevent any wobbling.
- Install the multiple wire springs as needed for proper function.
- Attach the QD sling swivel to the QD socket at the bottom of the Solid Sleeve.

3. Usage

- Once installed, check the stability of the Solid Sleeve and ensure there is no movement.
- Use the firearm in accordance with standard safety practices and guidelines.
- Regularly check the installation for any signs of loosening or wear.

Disposal Instructions

When it comes time to dispose of the SCHMEISSER Solid Tube Set, please follow these guidelines:

- Dispose of the product in accordance with local regulations regarding electronic and plastic waste.
- Do not throw the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling the materials where possible.
