Dillon XL750 Progressive Reloading Machine

Safety Instruction Guide

Introduction

Thank you for choosing the Dillon XL750 Progressive Reloading Machine for Pistol Calibers. This guide provides essential safety instructions to ensure safe and effective use of the reloading machine. Please read this document carefully before operating the machine.

General Safety Guidelines

- **Product Safety:** The Dillon XL750 is designed to be safe for use. However, improper handling can lead to accidents. Always follow safety instructions.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a notice regarding the Dillon XL750, please take immediate action as instructed.
- **Online Shopping:** Ensure that you purchase the Dillon XL750 from authorized retailers to guarantee compliance with safety standards.
- **Special Consumer Focus:** This product is intended for adult users. Keep the machine and any reloading components out of the reach of children.
- **EU Contact Point:** For any safety inquiries, you can reach out to the designated EU contact point provided by the retailer.
- **Rapid Alerts:** Check the EU's Safety Gate platform regularly for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Read the Manual:** Always read the user manual before operating the Dillon XL750. Familiarize yourself with all components and functions.
- **Personal Protective Equipment (PPE):** Wear safety glasses and gloves when using the reloading machine to protect against debris and potential injuries.
- **Work Environment:** Use the machine in a welllit, dry, and ventilated area. Ensure that the workspace is clean and free of clutter.
- **Avoid Distractions:** Focus on the reloading process. Avoid distractions that could lead to mistakes or accidents.
- **Check for Damage:** Before use, inspect the machine for any signs of damage or wear. Do not use the machine if it is damaged.
- **Use Appropriate Components:** Only use accessories and components specified for the Dillon XL750. Using incompatible parts can lead to malfunction or accidents.
- **Keep Children Away:** Ensure that children and pets are not present in the area while operating the machine.

Instructions for Installation and Usage

1. Installation:

- Choose a stable and sturdy workbench for installation.
- Secure the Dillon XL750 to the workbench using the provided mounting hardware.
- If using the optional electric case feeder, follow the specific installation instructions included with the feeder.
- Ensure that the machine is level and stable before use.

2. Setup:

- Select the appropriate die set for the caliber you are reloading. Note that die sets must be ordered

separately.

- Adjust the machine settings according to the specifications for the cartridge being loaded.
- Load the powder and bullets as per the manufacturer's guidelines.

3. Usage:

- Always start with a clean workspace and ensure that all components are in place.
- Follow the stepbystep instructions in the user manual for loading cartridges.
- Monitor the reloading process closely. If you notice any irregularities, stop the machine immediately and investigate.
- After completing the reloading process, clean the machine according to the maintenance instructions in the manual.

Disposal Instructions

- Dispose of any unused or expired components according to local regulations.
- Do not throw away the Dillon XL750 in regular household waste. Instead, contact your local waste management facility for proper disposal methods.
- Ensure that all packaging materials are recycled or disposed of responsibly.

Contact Information for Further Support

For any questions or concerns regarding the Dillon XL750 Progressive Reloading Machine, please refer to the contact information provided by your retailer or manufacturer. Ensure you have your purchase details ready for a more efficient support process.

By following these safety instructions, you can ensure a safe and effective reloading experience with the Dillon XL750 Progressive Reloading Machine. Thank you for your attention to safety!
