Dillon XL750/XL650/RL550 Accessories Quick Change Safety Instruction Guide

Introduction

Thank you for choosing the Dillon XL750/XL650/RL550 Quick Change. This product is designed to enhance your reloading experience by allowing you to quickly change calibers while keeping your dies and powder charge set up for specific cartridges. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always read the instruction manual before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that the workspace is clean, dry, and welllit.
- Wear appropriate safety gear, such as safety glasses and gloves, while using the product.
- Inspect the product regularly for any signs of wear or damage.
- Do not use the product for any purpose other than its intended use.
- Report any unsafe product incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the reloading press is securely mounted before use.
- Do not exceed the recommended load limits for your specific cartridge.
- Always doublecheck that the dies are properly secured before starting the reloading process.
- Use only compatible components with the Dillon XL750/XL650/RL550 Quick Change.
- Avoid distractions while using the product to maintain focus and safety.
- If you notice any unusual sounds or movements during operation, stop immediately and inspect the product.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is powered off and unplugged.
- Carefully remove any existing dies from the press.
- Install the Dillon XL750/XL650/RL550 Quick Change by following these steps:
 - Align the Quick Change with the press's mounting system.
 - Secure the Quick Change in place according to the manufacturer's instructions.
 - Reinstall your dies and ensure they are tightened properly.

2. Usage:

- Prepare your workspace by laying out all necessary components.
- Set your desired powder charge and die settings for the specific cartridge.
- Once set up, you can easily switch between calibers by using the Quick Change feature.
- Follow the reloading procedure as outlined in the Dillon reloading manual.
- After completing your reloading session, clean the Quick Change and surrounding area.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the product in regular household waste.

- Check with local waste management services for proper disposal methods for reloading components.

Contact Information for Further Support

For any questions or concerns regarding the Dillon XL750/XL650/RL550 Quick Change, please refer to the product manual or consult the manufacturer's website for additional support resources.

By following these safety instructions, you can ensure a safer and more effective reloading experience with your Dillon XL750/XL650/RL550 Quick Change. Thank you for prioritizing safety while using our product.
