# Dillon XL750 / XL650 / RL550 Accessories Spare Parts Kit Safety Instructions

## Introduction

Thank you for choosing the Dillon XL750 / XL650 / RL550 Accessories Spare Parts Kit. This guide provides important safety instructions to ensure the safe and effective use of your spare parts kit. Please read this manual carefully and follow all guidelines to prevent accidents and ensure optimal performance.

## General Safety Guidelines

- Ensure that all components of the spare parts kit are used in accordance with the manufacturer's specifications.
- Regularly inspect your reloading press for wear and tear, and replace any damaged parts immediately.
- Store the spare parts kit in a dry, cool place out of reach of children and pets.
- Always wear appropriate safety gear, such as safety glasses and gloves, when handling reloading equipment.
- Be aware of your surroundings and ensure that your workspace is clear of hazards while using the reloading press.

## Specific Safety Precautions for Use

- Only use spare parts that are specifically designed for the Dillon XL750, XL650, or RL550 models.
- Do not attempt to modify any parts or use incompatible components, as this may lead to malfunction or accidents.
- Ensure that the reloading press is securely mounted to a stable surface before use.
- Keep hands and clothing away from moving parts during operation.
- Never leave the reloading press unattended while in use.

## Instructions for Installation and Usage

### 1. Unpacking the Spare Parts Kit

- Carefully remove the spare parts kit from its packaging.
- Check the contents against the list provided in the kit to ensure all parts are included.

### 2. Installation of Spare Parts

- Refer to the specific instructions for each part included in the kit for proper installation.
- Use appropriate tools as recommended by the manufacturer.
- Ensure that all fasteners are tightened to the specified torque settings to prevent loosening during operation.

### 3. Usage of the Reloading Press

- Follow the Dillon XL750, XL650, or RL550 operating manual for guidance on using the reloading press.
- Load materials as instructed, ensuring that no obstructions are present in the loading area.
- Monitor the operation closely for any unusual sounds or behaviors, and stop immediately if any issues arise.

### 4. PostUsage Care

- Clean the reloading press and any installed parts after use to maintain optimal performance.
- Store all tools and spare parts safely after use.

## **Disposal Instructions**

- Dispose of any damaged or worn parts in accordance with local regulations.
- Avoid throwing parts in regular household waste; check for recycling options in your area.
- Ensure that all hazardous materials are disposed of properly to prevent environmental harm.

## **Contact Information for Further Support**

For any questions or concerns regarding the Dillon XL750 / XL650 / RL550 Accessories Spare Parts Kit, please contact your local Dillon Precision representative or the designated EU contact point.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective reloading experience with your Dillon equipment.
