Dillon XL 750 / XL 650 Caliber Conversion Kit

Safety Instructions

Introduction

Thank you for choosing the Dillon XL 750 / XL 650 Caliber Conversion Kit for Rifle Calibers. This product is designed to enhance your reloading experience by allowing you to convert your Dillon XL 750 or XL 650 press for various rifle calibers, including 270 Weatherby Mag, 7mm Rem Mag, and 7mm Wby Mag. It is important to follow these safety instructions to ensure safe and effective use of the product.

General Safety Guidelines

- Always read and understand all instructions before using the conversion kit.
- Keep the conversion kit and all reloading materials out of the reach of children and unauthorized users.
- Use the conversion kit only for its intended purpose as described in the product documentation.
- Ensure that your reloading area is wellventilated and free from distractions.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when reloading.
- Be aware of your surroundings and ensure that you are in a safe environment when using the reloading press.
- Regularly inspect the conversion kit and press for any signs of wear or damage before each use.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper use of the conversion kit can lead to personal injury or damage to equipment.
 - Always ensure that the correct caliber conversion is used for the specific cartridges being reloaded.
- **Avoiding Hazards:**
 - Do not exceed the recommended load specifications for the cartridges you are reloading.
 - Never leave the reloading press unattended while in use.
 - Ensure that all components are clean and free from debris before beginning the reloading process.
 - Use only manufacturerrecommended components and materials for reloading.
- **AgeSpecific Warnings:**
 - This product is intended for use by adults only. Ensure that minors are supervised if present in the reloading area.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure that your Dillon XL 750 or XL 650 press is clean and free from any previous caliber components.
- Gather all necessary tools and materials for installation.

2. Installing the Conversion Kit:

- Remove the current die set from the press.
- Follow the specific instructions provided with the conversion kit to install the appropriate dies for the caliber you are converting to.
- Securely attach the conversion kit components as per the manufacturer's guidelines.

3. Final Checks:

- Doublecheck that all components are securely fastened and properly aligned.
- Ensure that the reloading press is set to the correct settings for the new caliber.

Usage Instructions

1. Loading Cartridges:

- Follow the reloading process carefully, ensuring that you measure and load the correct amount of powder for each cartridge.
- Monitor the reloading process closely and check each cartridge for consistency and safety.

2. PostReloading:

- Inspect all loaded cartridges for any signs of defects or abnormalities.
- Store loaded cartridges in a safe and secure location, away from children and unauthorized users.

Disposal Instructions

- Dispose of any unused or defective components according to local regulations.
- Do not dispose of reloading materials in general waste. Follow local guidelines for hazardous materials disposal.
- Ensure that all packaging materials are recycled or disposed of responsibly.

Contact Information for Further Support

For any safety inquiries or support regarding the Dillon XL 750 / XL 650 Caliber Conversion Kit, please refer to the manufacturer's official website or contact the designated customer service for assistance. It is important to have access to a reliable source for product support and safety information.

Note: This safety instruction guide is intended to provide essential information for the safe use of the Dillon XL 750 / XL 650 Caliber Conversion Kit. Adhering to these guidelines will help ensure a safe and effective reloading experience. Always stay informed about any updates or recalls related to your product through official channels.
