# Dillon XL 750 / XL 650 Caliber Conversion Kit for Rifle Calibers Safety Instructions

## Introduction

Thank you for choosing the Dillon XL 750 / XL 650 Caliber Conversion Kit for 4440 Winchester. This product is designed to enhance your reloading experience for rifle calibers. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using this product.
- Ensure that your workspace is clean, organized, and free of distractions.
- Keep the conversion kit and all reloading components out of reach of children and unauthorized users.
- Before starting, familiarize yourself with all components of the Dillon XL 750 / XL 650 reloading press and conversion kit.
- Regularly inspect the conversion kit for any signs of wear or damage. Do not use if damaged.
- Follow all manufacturer instructions regarding the use, maintenance, and storage of the product.

## Specific Safety Precautions for Use

- Ensure that the reloading press is securely mounted to a stable surface before use.
- Use only the specified die set for the 4440 Winchester caliber. Die sets are not included with the conversion kit.
- Always doublecheck that the press is correctly configured for the caliber you are using.
- Avoid overloading the press; follow the recommended load specifications.
- Never leave the reloading process unattended. Stay focused and aware of your surroundings.
- In case of any malfunction, stop using the product immediately and consult the manufacturer for assistance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials including the Dillon XL 750 or XL 650 reloading press, the conversion kit, and your die set (not included).
- Ensure your workspace is welllit and free from clutter.

### 2. Installation:

- Disconnect the reloading press from any power source.
- Remove any existing conversion kit or die set from the press.
- Follow the instructions in the Dillon XL 750 / XL 650 manual for installing the conversion kit.
- Securely attach the conversion kit to the press, ensuring all components are tightly fastened.

### 3. Usage:

- Set up the reloading press according to the Dillon manual.
- Insert the appropriate die set for 4440 Winchester into the conversion kit.
- Follow the reloading process as outlined in the Dillon manual, ensuring to check each step for accuracy.
- Monitor the reloading process closely and make adjustments as necessary.

#### **4. PostUsage:**

- After completing the reloading process, clean the conversion kit and reloading press to remove any residue.
- Store the conversion kit in a safe, dry location out of reach of children.

### **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of any hazardous materials in regular household waste. Check with local authorities for proper disposal methods.

### **Contact Information for Further Support**

- For further safety inquiries or support, please refer to the manufacturer's contact information provided with the product packaging.

By adhering to these safety instructions, you will help ensure a safe and enjoyable reloading experience with your Dillon XL 750 / XL 650 Caliber Conversion Kit. Always prioritize safety and compliance with local laws and regulations.
