Dillon XL 750 / XL 650 Caliber Conversion Kit

Safety Instructions

Introduction

Thank you for choosing the Dillon XL 750 / XL 650 Caliber Conversion Kit for Rifle Calibers, specifically for the 33 Nosler cartridge. This guide provides essential safety instructions to ensure the safe and effective use of your conversion kit. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that you are familiar with the operation of your Dillon XL 750 or XL 650 reloading press before using the conversion kit.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and hearing protection, when reloading ammunition.
- Keep the workspace clean and organized to prevent accidents.
- Store all components, including the conversion kit, in a dry and secure location away from children and unauthorized users.
- Regularly inspect the conversion kit for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the Dillon XL 750 / XL 650 Conversion Kit with compatible cartridges. This kit is designed for the 33 Nosler caliber.
- Ensure that the reloading press is securely mounted to a stable surface before installation and use.
- Do not exceed the recommended load specifications for the 33 Nosler cartridge.
- Always doublecheck the setup and configuration of your reloading press and conversion kit before starting the reloading process.
- Never leave the reloading press unattended while in use.
- Keep hands, clothing, and other objects away from moving parts during operation.
- In case of a malfunction or unexpected behavior, stop using the equipment immediately and consult the manufacturer or a qualified technician.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components required for the installation of the conversion kit.
- Ensure that the Dillon XL 750 or XL 650 reloading press is unplugged and not in operation.

2. Installation

- Carefully remove the conversion kit from its packaging.
- Follow the manufacturer's instructions to install the conversion kit onto your Dillon XL 750 or XL 650 reloading press.
- Ensure that all components are securely fastened and that there are no loose parts.

3. Usage

- Set up your reloading area according to safety guidelines.
- Load the appropriate components for the 33 Nosler cartridge into the conversion kit.
- Follow the recommended procedures for reloading, as outlined in the Dillon reloading press

- manual.
- Monitor the reloading process closely to ensure safe operation.

4. PostUse

- After reloading, clean the conversion kit and reloading press according to the manufacturer's maintenance instructions.
- Store the conversion kit in a safe location to prevent unauthorized access.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations and guidelines for hazardous materials.
- Do not dispose of ammunition or reloading components in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the Dillon XL 750 / XL 650 Caliber Conversion Kit, please contact the manufacturer directly. Ensure that you have the product information and details ready for reference.

By following these safety instructions, you can help ensure a safe and enjoyable reloading experience with your Dillon XL 750 / XL 650 Caliber Conversion Kit. Always prioritize safety and remain informed about best practices in reloading.
