Dillon XL 750 / XL 650 Caliber Conversion Kit

Safety Instructions

Introduction

Thank you for choosing the Dillon XL 750 / XL 650 Caliber Conversion Kit for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of your conversion kit. Please read this manual carefully before use and keep it for future reference.

General Safety Guidelines

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.
- Ensure that your reloading area is wellventilated and free of clutter to prevent accidents.
- Keep all reloading components, including powders and primers, out of reach of children and pets.
- Do not consume food or beverages in the reloading area to avoid contamination.
- Be aware of your surroundings and ensure that no one is in close proximity when operating the reloading press.
- Regularly inspect your conversion kit and associated equipment for wear and damage.
- Follow all manufacturer instructions and guidelines for the safe operation of your Dillon XL 750 / XL 650.

Specific Safety Precautions for Use

- **Hazard Identification:** Be aware that improper use of the conversion kit can lead to serious injury or damage.
- **Safe Handling of Components:**
 - Always handle reloading components with care to avoid spills or accidents.
 - Store all components in a secure, dry place.
- **Operation:**
 - Ensure that the conversion kit is properly installed before use.
 - Do not exceed the recommended load limits for your specific caliber.
- **Emergency Procedures:**
 - In case of an accident or malfunction, cease operation immediately and follow the manufacturer's troubleshooting guidelines.
 - Report any unsafe products or incidents to the appropriate authorities.

Instructions for Installation and Usage

1. Installation:

- Ensure that the Dillon XL 750 / XL 650 is unplugged before beginning installation.
- Follow the specific installation instructions provided with the conversion kit to ensure proper setup.
- Confirm that all parts are securely fastened and that the die set is correctly positioned.

2. Usage:

- Familiarize yourself with the operation of the Dillon XL 750 / XL 650 before attempting to use the conversion kit.
- Use the conversion kit only for the specified calibers (e.g., 300 WSM).
- Follow the reloading procedures outlined in the Dillon XL 750 / XL 650 manual.
- Monitor the reloading process closely to ensure consistent performance and safety.

Disposal Instructions

- Dispose of all reloading components and packaging materials in accordance with local regulations.
- Do not throw away hazardous materials, such as primers and powders, in regular trash. Follow your local waste management guidelines for hazardous waste disposal.
- Keep the reloading area clean and free of debris to prevent accidents.

Contact Information for Further Support

For any questions or concerns regarding the Dillon XL 750 / XL 650 Caliber Conversion Kit, please consult the manufacturer's website or contact their customer service for assistance.

Thank you for prioritizing safety and following these guidelines. Enjoy your reloading experience with the Dillon XL 750 / XL 650 Caliber Conversion Kit.
