

Strong Mounts - Dillon Square Deal B Strong Mount

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Increase the stability of your reloading bench with Dillon's new Strong Mounts. These heavy gauge steel Strong Mounts increase the machine's "foot-print" to over 10", spreading the load over the bench instead of stressing the leading edge. Strong Mounts raise your machine 8", providing a comfortable work height for people who prefer to stand while reloading. All mounts come with all the fasteners necessary to mount your machine and are coated with a durable black wrinkle finish.

Dillon Strong Mounts Safety Instruction Guide

Introduction

Thank you for choosing the Dillon Strong Mounts for your Dillon Square Deal B reloading press. These mounts are designed to enhance the stability of your reloading bench, providing a safer and more comfortable workspace. This guide provides important safety instructions and information to ensure the safe use and installation of your product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the safety instructions before using the product.
- Ensure that the installation area is clean, dry, and free from hazards.
- Use the product only for its intended purpose as described in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Strong Mounts for signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about any product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the reloading press is securely mounted on the Strong Mounts before use.
- Do not exceed the weight limit specified by the manufacturer.
- Avoid overreaching or improper posture while using the reloading press.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves.
- Do not modify or alter the Strong Mounts in any way.
- If you experience any issues during installation or use, stop and seek assistance.

Instructions for Installation and Usage

Installation

1. **Gather Tools and Materials:** Ensure you have all necessary tools (e.g., wrench, screwdriver) and fasteners included in the package.
2. **Prepare the Work Area:** Clear the area where the Strong Mounts will be installed. Ensure the surface is stable and level.
3. **Position the Strong Mounts:** Place the Strong Mounts on the reloading bench where the reloading press will be located. Ensure they are evenly spaced.
4. **Secure the Strong Mounts:** Use the provided fasteners to securely attach the Strong Mounts to the reloading bench. Follow the manufacturer's instructions for torque specifications.
5. **Mount the Reloading Press:** Once the Strong Mounts are securely installed, carefully place the Dillon Square Deal B reloading press on top of the mounts.
6. **Check Stability:** Before use, ensure that the reloading press is stable and securely attached to the Strong Mounts.

Usage

- Stand comfortably while operating the reloading press, ensuring that your posture is correct to avoid strain.
- Regularly check the stability of the Strong Mounts during use. If you notice any instability, stop using the press immediately and check the installation.
- Follow all operational guidelines provided with the Dillon Square Deal B reloading press.

Disposal Instructions

When disposing of the Dillon Strong Mounts, follow local regulations regarding the disposal of metal products. Consider recycling the steel components if possible. Do not dispose of the product in a manner that could harm the environment.

Contact Information for Further Support

For any inquiries regarding safety or product support, please consult the manufacturer's website or customer service line. Ensure that you have the product details handy for a more efficient response.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using your Dillon Strong Mounts safely and effectively.
