Dillon Shotgun Ammo Box Safety Instructions

Introduction

Thank you for choosing the Dillon Shotgun Ammo Box for your 20 Gauge ammunition needs. This product is designed to provide safe and efficient storage for your ammunition. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the ammunition box is used only for storing 20 Gauge shotgun ammunition.
- Always keep the ammunition box out of reach of children and unauthorized users.
- Do not expose the ammunition box to extreme temperatures or moisture, as this may compromise its integrity.
- Regularly inspect the ammunition box for any signs of damage or wear. If damaged, discontinue use immediately.
- Store the ammunition box in a secure location to prevent unauthorized access.

Specific Safety Precautions for Use

- Always handle ammunition with care and follow the manufacturer's guidelines for safe handling.
- Ensure the box is closed securely when not in use to prevent accidental opening.
- Avoid placing the ammunition box in areas where it may be subjected to physical impact or pressure.
- Do not modify or alter the ammunition box in any way, as this may compromise its safety features.
- If you notice any unusual odors or signs of deterioration, do not use the ammunition box and report it to the appropriate authorities.

Instructions for Installation and Usage

1. Opening the Box:

- Gently press the hinge to open the box. Ensure that the box is on a flat surface to prevent accidental spills.

2. Loading Ammunition:

- Carefully load your 20 Gauge shotgun ammunition into the box. Ensure that the rounds are placed securely and do not exceed the maximum capacity of 25 rounds.

3. Closing the Box:

- After loading, press the box closed until you hear a click, indicating that it is securely locked.

4. Storage:

- Store the ammunition box in a cool, dry place. Avoid direct sunlight and areas with high humidity.

5. Transporting:

- When transporting the ammunition box, ensure it is secured to prevent movement. Avoid placing heavy objects on top of it.

Disposal Instructions

- Dispose of the ammunition box responsibly. If it is no longer needed, consider recycling it where facilities are available.
- Do not dispose of the ammunition box with regular household waste. Follow local regulations for disposal of ammunition containers.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Dillon Shotgun Ammo Box, please reach out to your local distributor or authorized retailer. They can provide you with further assistance and information regarding product safety.

By following these safety instructions, you can ensure the safe and effective use of your Dillon Shotgun Ammo Box. Always stay informed about any safety updates or recalls through the EU's Safety Gate platform. Thank you for your attention to safety!
