Dillon Shotgun Ammo Box Safety Instructions

Introduction

Thank you for choosing the Dillon Shotgun Ammo Box designed for 12 Gauge shotgun ammunition. This guide provides essential safety instructions to ensure the safe use and handling of your ammunition box. Please read this guide carefully before use to understand the necessary precautions.

General Safety Guidelines

- Always store ammunition in a cool, dry place away from direct sunlight and moisture.
- Ensure that the ammunition box is kept out of reach of children and unauthorized individuals.
- Inspect the ammunition box regularly for any signs of damage or wear.
- Do not use the ammunition box for any purpose other than storing ammunition.
- Follow all local laws and regulations regarding the storage and handling of ammunition.

Specific Safety Precautions for Use

- **Hinge Mechanism:** The twopiece hinge allows the boxes to store flat and level. Ensure that the hinge is functioning correctly before use.
- **Transparency:** The transparent design allows you to see the ammunition type and quantity. Regularly check that the contents match the label.
- **Handling:** Always handle the ammunition box with care. Avoid dropping or exposing it to extreme conditions that may compromise its integrity.
- **Age Restrictions:** This product is intended for use by individuals of legal age as defined by local laws regarding ammunition handling.

Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the ammunition box from its packaging. Inspect for any damage.
2. **Loading Ammunition:**
 - Open the box by lifting the lid gently.
 - Place the 12 Gauge ammunition into the box, ensuring that it is seated properly and secure.
 - Close the lid firmly to ensure that the ammunition is protected.
3. **Storage:**
 - Store the box upright in a safe location.
 - Ensure that the box is not exposed to extreme temperatures or humidity.
4. **Transporting:**
 - When transporting the ammunition box, ensure it is secured to prevent movement.
 - Never leave the ammunition box unattended in a vehicle.

Disposal Instructions

- Dispose of the ammunition box in accordance with local regulations for plastic waste.
- If the box is damaged or no longer needed, ensure that it is emptied and disposed of responsibly.
- Do not burn the ammunition box or any ammunition inside it.
