# Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit Safety Instructions

## Introduction

Thank you for choosing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers. This kit is designed to enhance your reloading experience and ensure safety during use. It is essential to follow the safety guidelines and instructions outlined in this document to minimize risks and ensure safe operation.

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the conversion kit out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as specified in the manual.
- Regularly inspect the equipment for wear or damage before each use.
- Ensure that the workspace is clean, organized, and free from distractions.
- Use personal protective equipment (PPE) such as safety glasses and gloves as necessary.
- In case of an emergency, have a first aid kit readily available.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure the reloading press is securely mounted and stable before use.
- Check that all components of the conversion kit are correctly installed and functioning.
- Use only the recommended cartridge types for this conversion kit (e.g., 221 Rem Fireball, 222 Rem, 222 Rem Mag, 223 Rem).
- Do not exceed the manufacturer's specifications for powder loads and projectile weights.
- Avoid using damaged or worn components; replace them immediately.
- Do not leave the reloading press unattended while in use.
- Keep your hands and tools away from moving parts during operation.
- Ensure adequate ventilation in the workspace to avoid inhalation of fumes.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation:

- Gather all necessary tools and components, including the shellplate, powder funnel, and locator buttons.
- Ensure the reloading press is unplugged and in a safe state before starting installation.

#### 2. Install the Shellplate:

- Remove any existing shellplate from the reloading press.
- Align the new shellplate with the mounting points on the press.
- Securely fasten the shellplate into place.

#### 3. Install the Powder Funnel:

- Remove the existing powder funnel if applicable.

- Insert the new powder funnel into the designated opening.
- Ensure it is fitted snugly and securely.

#### **4. Install Locator Buttons:**

- Place the locator buttons in their respective positions on the shellplate.
- Ensure they are firmly seated and will not move during operation.

## **Usage**

### **1. Loading:**

- Follow the manufacturer's guidelines for loading your specific cartridge type.
- Use a reliable scale to measure powder charges accurately.

### **2. Operation:**

- Start the reloading press according to the manufacturer's instructions.
- Monitor the process closely to ensure proper operation and safety.
- If any unusual sounds or movements occur, stop the operation immediately and inspect the equipment.

### **3. PostUse:**

- Clean the reloading press and conversion kit after each use to prevent buildup of debris.
- Store the kit in a cool, dry place away from direct sunlight.

## **Disposal Instructions**

- Dispose of any unused or expired components in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility or hazardous waste collection point.
- Ensure that all packaging materials are recycled or disposed of properly.

## **Contact Information for Further Support**

For any questions or concerns regarding the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit, please refer to the manufacturer's contact information provided with your product packaging or visit their official website.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and efficient reloading experience.
