Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit Safety Instructions

Introduction

Thank you for choosing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this document thoroughly before using the kit.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the workspace is clean and free of obstructions before starting.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Store the product in a dry, safe place when not in use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Wear appropriate safety gear, including eye protection, when using the conversion kit.
- Be aware of your surroundings and ensure that no one else is in the immediate area while operating the equipment.
- Do not exceed the recommended load capacity for the reloading press.
- Never leave the equipment unattended while in use.
- Follow all local laws and regulations regarding ammunition reloading and handling.
- Be cautious of sharp edges and moving parts during installation and operation.

Instructions for Installation and Usage

1. Preparation

- Ensure that the reloading press is unplugged and not in operation.
- Gather all components of the conversion kit: shellplate, powder funnel, and locator buttons.

2. Installation

- Remove any existing components from the reloading press that may interfere with the installation of the conversion kit.
- Follow these steps to install the shellplate:
 - Align the shellplate with the mounting points on the reloading press.
 - Secure the shellplate using the provided screws, ensuring it is tightly fastened.
- Install the powder funnel:
 - Insert the powder funnel into the designated opening on the shellplate.
 - Ensure it is seated properly to avoid any leaks during operation.
- Attach the locator buttons:
 - Position the locator buttons in their respective slots on the shellplate.
 - Press down firmly until they are securely in place.

3. Usage

- Once installed, refer to the reloading press manual for specific instructions on operating the press with the new caliber conversion kit.

- Always doublecheck that all components are securely fastened before starting the reloading process.
- Monitor the reloading process closely to ensure safe operation.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the product is no longer usable, dispose of it in a manner that is safe for the environment.
- Check with local authorities for guidelines on disposing of reloading components and materials.

Contact Information for Further Support

For any questions or concerns regarding the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit, please refer to the manufacturer's contact points available on their website or product packaging.

Thank you for prioritizing safety while using this product. Happy reloading!
