Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit Safety Instructions

Introduction

Thank you for choosing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit. This kit is designed for use with rifle calibers, specifically the 3240 Winchester and 32 Winchester Special. It is essential to follow these safety instructions to ensure safe and effective use of the product.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the conversion kit is compatible with your reloading press model.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the kit for any signs of wear or damage before use.
- Use the product only for its intended purpose as described in the instructions.
- Store the kit in a dry, clean place away from direct sunlight and moisture.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using the reloading press and conversion kit.
- Be aware of the potential hazards associated with reloading ammunition, including exposure to lead and other hazardous materials.
- Do not exceed the recommended load limits for your reloading press or conversion kit.
- Handle all components of the kit with care to avoid injury.
- If you experience any difficulties during use, stop immediately and consult the instructions or seek assistance.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components before starting the installation.
- Ensure that your reloading press is clean and free from debris.

2. Installation Steps

- Remove the existing shellplate from your reloading press.
- Select the appropriate shellplate from the conversion kit that matches your caliber.
- Install the new shellplate securely in place.
- Attach the powder funnel to the reloading press, ensuring it is properly aligned.
- Install the locator buttons as per the instructions provided in the kit.

3. Usage Steps

- Set up your reloading press according to the manufacturer's guidelines.
- Load the appropriate components for the 3240 Winchester or 32 Winchester Special caliber.
- Follow the reloading process as outlined in your reloading press manual.
- Monitor the reloading process closely and ensure everything is functioning correctly.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for proper disposal methods for hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit, please refer to the manufacturer's website or customer support resources for assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience. Thank you for your attention to safety.
