# Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers Safety Instructions

## Introduction

Thank you for choosing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers. This kit is designed to enhance your reloading experience with safety and efficiency. Please read these safety instructions carefully to ensure proper usage and handling of the product.

## General Safety Guidelines

- Always read and understand the user manual before using the product.
- Ensure that the workspace is clean, organized, and free from distractions.
- Only use the product for its intended purpose as specified in this manual.
- Keep the product out of reach of children and unauthorized users.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the product.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all local regulations regarding the handling and storage of reloading components.

## Specific Safety Precautions for Use

- Do not exceed the recommended load limits specified for the Dillon RL550 / RL450 / RL300 / AT500 / BL550 machines.
- Always ensure that the machine is turned off and unplugged when making adjustments or replacing parts.
- Use only the components specified in this kit (Shellplate, Powder funnel, Locator buttons) for safe operation.
- Avoid using damaged or worn components, as they may pose safety risks.
- Ensure proper ventilation in the workspace to avoid inhalation of any dust or fumes.
- Be cautious when handling powders and primers, as they can be sensitive to heat and friction.

## Instructions for Installation and Usage

### 1. Unboxing the Kit

- Carefully remove all components from the packaging.
- Check for completeness: Shellplate, Powder funnel, Locator buttons.

### 2. Installation

- Turn off and unplug the reloading machine before installation.
- Refer to the user manual of your specific Dillon machine for detailed installation instructions.
- Securely attach the Shellplate to the machine as per the manufacturer's guidelines.
- Install the Powder funnel and Locator buttons in their designated positions.

### 3. Using the Kit

- Once installed, ensure that all components are securely fastened.
- Follow the reloading procedures outlined in the Dillon machine's user manual.
- Monitor the reloading process closely and stop immediately if any unusual noises or issues occur.

#### **4. PostUse Care**

- After use, clean the components to remove any residue.
- Store the kit in a dry, cool place away from direct sunlight and moisture.

### **Disposal Instructions**

- Dispose of any unused or expired reloading components according to local regulations.
- Do not dispose of hazardous materials in regular trash. Contact local authorities for proper disposal methods.
- Recycle packaging materials where applicable.

### **Contact Information for Further Support**

For safety inquiries or additional support regarding the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit, please refer to the contact information provided in the product documentation.

By following these safety instructions, you can ensure a safe and effective reloading experience. Always prioritize safety and adhere to local regulations while using this product. Thank you for your commitment to safe reloading practices.
