# Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit Safety Instructions

## Introduction

Thank you for choosing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers. This product is designed to enhance your reloading experience. Please read this safety instruction guide carefully to ensure safe and effective use of the kit.

## General Safety Guidelines

- Always handle reloading equipment with care and respect.
- Ensure that you are familiar with the operation of your reloading machine before using the conversion kit.
- Keep the conversion kit and all related equipment out of reach of children and unauthorized users.
- Use protective eyewear and gloves when operating reloading equipment.
- Follow all local laws and regulations regarding ammunition reloading and storage.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Before starting, ensure that the reloading machine is turned off and unplugged.
- Inspect the conversion kit components for any signs of damage or wear before use.
- Do not exceed the recommended load limits for your reloading machine.
- Always use the correct components specified for the 35 Remington cartridge.
- Avoid using the conversion kit in wet or damp conditions to prevent electrical hazards.
- Ensure that your workspace is clean and free from any obstructions or distractions.
- Do not leave the reloading machine unattended while in operation.

## Instructions for Installation and Usage

### 1. Preparation:

- Unpack the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit.
- Verify that all components are included: shellplate, powder funnel, and locator buttons.

### 2. Installation:

- Ensure the reloading machine is turned off and unplugged.
- Remove any existing shellplate or components from the machine.
- Install the new shellplate by aligning it with the machine's mounting points and securing it in place.
- Insert the powder funnel into the appropriate position on the shellplate.
- Place the locator buttons in their designated slots to ensure proper alignment.

### 3. Usage:

- Load the appropriate components for the 35 Remington cartridge into the machine.
- Follow the manufacturer's guidelines for operating the reloading machine.
- Monitor the reloading process closely to ensure safety and accuracy.
- After use, clean the machine and the conversion kit components to maintain their condition.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste management regulations.
- Do not dispose of the conversion kit in regular household waste if it is damaged or no longer usable. Instead, follow local guidelines for hazardous waste disposal.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the EUbased contact point provided with your product packaging.

Thank you for your attention to these safety instructions. Your safety is our priority, and we wish you a successful and enjoyable reloading experience.
