Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit Safety Instructions

Introduction

Thank you for choosing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers. This guide provides essential safety instructions to ensure the safe and effective use of your reloading equipment. Please read this document carefully before using the product.

General Safety Guidelines

- Always follow the manufacturer's instructions and guidelines.
- Ensure that the workspace is clean, welllit, and free from distractions.
- Keep this product out of reach of children and unauthorized individuals.
- Regularly inspect the equipment for wear or damage before use.
- Do not modify or alter the equipment in any way.
- Use only compatible components and accessories as specified by the manufacturer.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves during reloading.
- Ensure that the reloading area is wellventilated to avoid inhalation of dust or fumes.
- Never exceed the recommended load specifications for the cartridges being reloaded.
- Be cautious when handling powders and primers, as they can be hazardous.
- Store all reloading components in a secure and organized manner.
- Avoid distractions while reloading to maintain focus and accuracy.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the reloading press is unplugged and clean before installation.
2. **Gather Components:** Unbox the Caliber Conversion Kit and verify that all components are included:
 - Shellplate
 - Powder funnel
 - Locator buttons
3. **Install Shellplate:**
 - Remove the existing shellplate from the reloading press.
 - Align the new shellplate with the mounting holes and secure it in place using the provided screws.
4. **Install Powder Funnel:**
 - Insert the powder funnel into the designated opening on the shellplate.
 - Ensure it is seated properly to prevent any spillage during operation.
5. **Install Locator Buttons:**
 - Place the locator buttons in the appropriate positions on the shellplate.
 - Make sure they are firmly in place for accurate cartridge alignment.

Usage

1. **Setup:** Before starting, ensure that all components are properly installed and secured.
2. **Loading:** Follow the reloading process as per the Dillon RL series guidelines.
3. **Safety Checks:** Frequently check for proper functioning and alignment during use.
4. **Storage:** After use, clean and store the equipment in a dry and safe location.

Disposal Instructions

- Dispose of any unused or expired reloading components according to local regulations.
- Do not dispose of hazardous materials in regular trash. Check with local waste management for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit, please refer to the manufacturer's website or contact their support team directly.

By following these safety instructions, you can ensure a safe and effective reloading experience. Thank you for your attention to these important guidelines.
