# Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers Safety Instruction Guide

## Introduction

Thank you for choosing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers. This product is designed to enhance your reloading experience while ensuring safety and compliance with EU regulations. Please read this safety instruction guide carefully before using the product to ensure safe and effective operation.

## General Safety Guidelines

- Always read and understand the entire instruction manual before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that your workspace is clean, welllit, and free from distractions.
- Use personal protective equipment (PPE) such as safety glasses and gloves while handling reloading components.
- Regularly inspect the kit for any signs of wear or damage before use.
- Follow all local laws and regulations regarding ammunition reloading.

## Specific Safety Precautions for Use

- Ensure that the machine is turned off and unplugged before installing or changing components.
- Do not exceed the recommended load limits for your reloading press.
- Use only the specified components included in the conversion kit.
- Avoid using damaged or worn components; replace them immediately.
- Keep your hands and tools away from moving parts during operation.
- Be aware of the potential hazards of the materials you are using, including powders and primers.
- Store components in a cool, dry place away from direct sunlight and heat sources.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and components before starting the installation.
- Ensure that the reloading press is clean and free from debris.

### 2. Installation Steps

- Unpack the kit and verify that all components are present:
  - Shellplate
  - Powder funnel
  - Locator buttons
- Refer to the reloading press manual for specific mounting instructions tailored to your model.
- Install the shellplate by securing it in place according to the manufacturer's guidelines.
- Attach the powder funnel to the shellplate, ensuring it is properly seated.
- Install the locator buttons as directed in the reloading press manual.

### 3. Usage Steps

- Set up your reloading press according to the specifications for the 3220 Winchester caliber.

- Follow the reloading procedures outlined in your press manual, ensuring to use the conversion kit components.
- Monitor the reloading process closely, checking for any irregularities.
- After completing the reloading session, clean and store all components properly.

## **Disposal Instructions**

- Dispose of any unused or expired components in accordance with local regulations.
- Take care to recycle packaging materials where possible.
- Do not dispose of hazardous materials in regular waste; consult local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit, please consult the manufacturer's official website or contact their customer service.

Please ensure that you keep this safety instruction guide for future reference and share it with anyone who may use the product. Thank you for prioritizing safety in your reloading practices.
