Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers Safety Instructions

Introduction

Thank you for choosing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers, specifically designed for the 300 Savage cartridge. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

To ensure your safety and the safety of others, please adhere to the following guidelines:

- Always read and understand the user manual before using the product.
- Keep the conversion kit out of reach of children and vulnerable individuals.
- Inspect the kit for any damage before use. If damage is found, do not use the product.
- Ensure that the work area is clean, organized, and free from hazards.
- Use personal protective equipment (PPE) such as safety glasses and gloves while handling materials.
- Follow all local laws and regulations regarding the reloading of ammunition.

Specific Safety Precautions for Use

When using the Dillon Caliber Conversion Kit, consider the following precautions:

- Ensure that the conversion kit is compatible with your Dillon machine model (RL300, RL450, RL550, AT500, BL550).
- Only use the kit for its intended purpose: converting for the 300 Savage cartridge.
- Avoid using excessive force when installing components to prevent damage.
- Always doublecheck that all parts are securely attached before operation.
- Do not leave the machine unattended while in use.
- Be aware of your surroundings and ensure that no one is in the vicinity of the machine while it is operating.

Instructions for Installation and Usage

Follow these steps for proper installation and usage of the Dillon Caliber Conversion Kit:

1. Preparation:

- Gather all necessary tools and materials.
- Ensure the Dillon machine is unplugged and in a safe position.

2. Installation:

- Remove the existing shellplate from the machine.
- Install the new shellplate included in the conversion kit.
- Attach the powder funnel securely to the machine.
- Install locator buttons in their designated positions.

3. Usage:

- Load the machine with the appropriate components for the 300 Savage cartridge.

- Follow the Dillon machine's operating instructions for reloading.
- Monitor the reloading process closely for any irregularities.
- After use, ensure the machine is turned off and cleaned accordingly.

4. PostInstallation Check:

- Conduct a test run with dummy rounds to ensure proper functioning.
- Inspect for any signs of wear or malfunction before actual use.

Disposal Instructions

Proper disposal of the product and its components is essential:

- Dispose of any packaging materials in accordance with local recycling guidelines.
- If the conversion kit is no longer usable, follow local regulations for disposal of metal and plastic parts.
- Do not dispose of any hazardous materials improperly.

Contact Information for Further Support

For any inquiries or further assistance regarding the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you will ensure a safe and efficient reloading experience. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention and enjoy using your Dillon Caliber Conversion Kit!
