Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit Safety Instructions

Introduction

Thank you for choosing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit. This guide provides essential safety instructions to ensure the safe use of your reloading press accessories. Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as outlined in this manual.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading materials.
- Be aware of your surroundings and ensure that the workspace is clean and free of clutter.
- Regularly inspect the equipment for any signs of wear or damage before each use.
- In case of any malfunction or unusual operation, stop using the product immediately and seek assistance.
- Report any unsafe products or incidents to relevant authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper handling of reloading equipment can lead to serious injuries.
- Ensure that all components are securely attached before operation.
- Be cautious of moving parts during assembly and operation.

- **Avoiding Hazards:**

- Do not exceed the recommended load limits for your reloading press.
- Always follow the manufacturer's instructions for loading and unloading ammunition.
- Avoid distractions while operating the reloading press.
- Ensure that the work area is wellventilated, especially when using powders and primers.

- **AgeSpecific Warnings:**

- This product is intended for use by individuals aged 18 years and older.
- Ensure that younger individuals are supervised by a responsible adult when using or handling this product.

Instructions for Installation and Usage

1. Installation:

- Unpack all components of the Dillon Caliber Conversion Kit.
- Refer to the specific model's manual for detailed installation instructions.
- Securely attach the shellplate, powder funnel, and locator buttons to the reloading press.
- Ensure all components are tightly fastened before proceeding.

2. Usage:

- Set up your reloading press in a stable and secure location.

- Follow the manufacturer's guidelines for the specific caliber you are reloading (e.g., 240 Weatherby Mag, 243 Win, 244 Rem).
- Carefully measure and load the appropriate amount of powder into the powder funnel.
- Insert the shellplate and ensure it is properly aligned.
- Place the cartridge case in the shellplate and proceed with the reloading process as per the instructions provided in your reloading press manual.

3. PostUsage:

- Clean the reloading press and any components after use to prevent residue buildup.
- Store the Caliber Conversion Kit in a dry and secure location.

Disposal Instructions

- Dispose of any unused or expired reloading materials in accordance with local regulations.
- Do not dispose of hazardous materials in regular trash.
- Check with local waste management authorities for proper disposal methods of reloading components and packaging.

Contact Information for Further Support

For further support and inquiries regarding safety or product information, please refer to the manufacturer's website or customer service resources.

This safety instruction guide is designed to ensure your safety and enhance your experience with the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit. Always prioritize safety and follow the guidelines provided. Thank you for your attention to these important safety measures.
