# Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit Safety Instructions

## Introduction

Thank you for choosing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your conversion kit. Please read this document carefully before using the product.

## General Safety Guidelines

- Always ensure that the conversion kit is compatible with your reloading press model (RL300, RL450, RL550, AT500, or BL550).
- Keep the conversion kit and all reloading components out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding ammunition reloading and firearm safety.
- Use personal protective equipment (PPE) such as safety glasses and gloves when reloading ammunition.
- Regularly inspect the conversion kit for any signs of wear or damage before each use.
- Do not attempt to modify the conversion kit or use it for any purpose other than intended.
- In case of any malfunction or safety concern, stop using the product immediately and consult a qualified technician.

## Specific Safety Precautions for Use

- Ensure that your work area is wellventilated and free from any flammable materials.
- Always doublecheck that the shellplate and powder funnel are securely attached before use.
- Avoid overfilling the powder funnel to prevent spills or overcharges.
- Be cautious when handling primers and powders; store them in a cool, dry place away from direct sunlight.
- Never leave the reloading press unattended while in operation.
- If you experience any unusual noises or resistance while operating the press, stop immediately and investigate the issue.

## Instructions for Installation and Usage

### 1. Installation

- Unpack the conversion kit and ensure all components (shellplate, powder funnel, locator buttons) are present.
- Refer to your reloading press manual for instructions on removing the current shellplate.
- Install the new shellplate by aligning it with the mounting points on the press and securing it firmly.
- Attach the powder funnel to the shellplate, ensuring it fits snugly.
- Insert the locator buttons into their designated positions, if applicable.

### 2. Usage

- Set up your reloading press according to the manufacturer's instructions.
- Use the correct caliber components (cases, bullets, and powder) that correspond to the 8 mm Mauser (8 x 57 mm Mauser).
- Follow the reloading process as outlined in your press manual, ensuring to check each step for safety.
- After reloading, store all ammunition in a safe and secure location.

## **Disposal Instructions**

- Dispose of any unused or expired reloading components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste.
- Contact your local waste management authority for information on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit, please refer to the manufacturer's contact information provided in the product packaging or on the official website.
