# Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit Safety Instructions

## Introduction

Thank you for choosing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers. This guide provides important safety instructions and information to ensure the safe use of your conversion kit. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the conversion kit is compatible with your reloading machine model (RL300, RL450, RL550, AT500, BL550).
- Always use the conversion kit according to the manufacturer's instructions.
- Keep the conversion kit out of reach of children and vulnerable individuals.
- Inspect the conversion kit for any damage or wear before each use.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only the specified cartridge type (33 WCF) with this conversion kit.
- Wear appropriate safety gear, including eye protection and hearing protection, when reloading ammunition.
- Ensure that your workspace is clean and free from hazards before starting the reloading process.
- Do not attempt to modify the conversion kit or use it for any purpose other than intended.
- Always doublecheck that the shellplate and powder funnel are securely attached before use.

## Instructions for Installation and Usage

### 1. Installation:

- Gather all components of the conversion kit: shellplate, powder funnel, and locator buttons.
- Turn off the reloading machine and unplug it from the power source before installation.
- Remove the existing shellplate from the machine.
- Install the new shellplate by aligning it with the machine's mounting points and securing it in place.
- Attach the powder funnel to the shellplate, ensuring it is properly seated.
- Insert the locator buttons into the designated positions on the shellplate.

### 2. Usage:

- Set up your reloading machine according to the manufacturer's instructions.
- Load the appropriate 33 WCF cartridges into the shellplate.
- Follow standard reloading procedures, ensuring that all components are functioning correctly.
- Monitor the reloading process closely for any irregularities or malfunctions.
- After completing the reloading process, safely store all components of the conversion kit.

## Disposal Instructions

- Dispose of any damaged or worn components of the conversion kit in accordance with local regulations.
- Do not dispose of the conversion kit in regular household waste. Check for recycling options in your area.
- Ensure that all materials are disposed of safely to prevent harm to the environment.

## **Contact Information for Further Support**

For any inquiries or further support regarding the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit, please refer to the contact information provided by the manufacturer or authorized retailers.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation (GPSR). Your careful attention to these guidelines will help ensure a safe and successful reloading experience.
