# Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit Safety Instructions

## Introduction

Thank you for choosing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers. This guide provides important safety information to ensure the safe and effective use of your product. Please read this manual carefully before using the kit and keep it for future reference.

## General Safety Guidelines

- Always read and follow the manufacturer's instructions and safety guidelines.
- Ensure that the product is suitable for your specific reloading machine model.
- Use the kit only for its intended purpose and within the specified parameters.
- Keep the kit out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure a safe working environment when using the kit.
- Regularly inspect the kit for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Ensure that all components are compatible with your reloading machine.
- Be cautious of sharp edges on components that may cause cuts.
- Handle powders and primers with care to avoid accidental ignition.

- **Avoiding Hazards:**

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves.
- Do not exceed the recommended load limits for your reloading machine.
- Keep the work area clean and organized to prevent accidents.
- Do not use the kit if you are tired, distracted, or under the influence of substances.

- **Age Specific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that minors are supervised at all times when using or near the reloading equipment.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure that your reloading machine is turned off and unplugged before installation.
2. Remove any existing components that need to be replaced with the conversion kit.
3. Carefully install the shellplate, ensuring it is securely attached.
4. Insert the powder funnel into the designated position.
5. Place the locator buttons as per the instructions provided in the kit.
6. Doublecheck all components for secure installation before proceeding.

- **Usage:**

1. Set up your reloading machine according to the manufacturer's guidelines.

2. Load the appropriate caliber and follow the reloading process as instructed.
3. Monitor the operation of the machine during use to ensure it is functioning correctly.
4. If you notice any unusual sounds or malfunctions, stop using the machine immediately and inspect for issues.

## **Disposal Instructions**

- Dispose of any unused or expired components in accordance with local regulations.
- Do not dispose of hazardous materials in regular waste. Follow your local waste disposal guidelines for hazardous substances.
- Ensure that all packaging materials are recycled or disposed of properly.

## **Contact Information for Further Support**

For any questions or concerns regarding the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit, please refer to the manufacturer's website or customer service for assistance.
