Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit Safety Instructions

Introduction

Thank you for choosing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers. This guide provides important safety information to ensure the safe use of this product. Please read and follow these instructions carefully to minimize risks and ensure a safe reloading experience.

General Safety Guidelines

- Always wear appropriate safety gear, including safety glasses and gloves, when using reloading equipment.
- Keep the workspace clean and organized to avoid accidents.
- Store all components and tools in a secure location, out of reach of children and pets.
- Ensure proper ventilation in your workspace to avoid inhalation of dust or fumes.
- Familiarize yourself with the reloading process and follow all manufacturer instructions.

Specific Safety Precautions for Use

- Do not exceed recommended load limits for the cartridge being used.
- Only use components that are compatible with the Dillon RL550 / RL450 / RL300 / AT500 / BL550 systems.
- Regularly inspect all equipment for wear and damage before use.
- Avoid distractions while reloading; focus on the task at hand.
- If you experience any malfunctions or irregularities during use, stop immediately and assess the situation.

Instructions for Installation and Usage

1. Installation

- Ensure the reloading press is securely mounted on a stable work surface.
- Remove any existing shellplate or powder funnel from the press.
- Install the new shellplate that comes with the conversion kit by aligning it with the mounting points and securing it in place.
- Attach the powder funnel to the appropriate station on the press.
- Insert locator buttons into their designated positions to ensure proper alignment of the cartridges.

2. Usage

- Prepare your workspace by ensuring all necessary tools and components are within reach.
- Load the correct caliber of brass and ensure it is clean and free from obstructions.
- Follow the reloading process step by step, referring to the Dillon reloading manual as needed.
- Regularly check the powder level and ensure it is within safe limits.
- After reloading, inspect each cartridge for any abnormalities before use.

Disposal Instructions

- Dispose of any unused components, such as spent primers or leftover powder, in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste. Check with local waste management for proper disposal methods.

- Ensure all packaging materials are recycled or disposed of responsibly.

Contact Information for Further Support

For any questions or concerns regarding the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit, please refer to the manufacturer's website or contact their customer support team for assistance.

Conclusion

By following these safety instructions, you can ensure a safe and effective reloading experience with the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit. Always prioritize safety and be aware of your surroundings while using this equipment. Thank you for your attention to these important guidelines.
