Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit Safety Instructions

Introduction

Thank you for choosing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers, specifically the 28 Nosler model. This guide provides essential safety instructions to ensure the safe use and operation of your reloading equipment. Please read this manual carefully before use.

General Safety Guidelines

- Ensure that all users are familiar with the operation of reloading equipment.
- Always follow the manufacturer's instructions for safe handling and use.
- Keep the workspace clean and organized to avoid accidents.
- Store all components in a secure location, out of reach of children and pets.
- Regularly inspect your equipment for wear and tear, and replace any damaged parts immediately.
- Use personal protective equipment (PPE), such as safety glasses and gloves, to minimize injury risk.
- Be aware of your surroundings and avoid distractions while reloading.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Only use Dillon products with Dillon machines to ensure compatibility.
- Do not exceed the recommended load limits specified by the manufacturer.
- Ensure that the machine is turned off and unplugged before making any adjustments or changes.
- Avoid using damaged or wornout parts, as they may pose a safety hazard.
- Be cautious when handling powders and primers, as they can be hazardous materials.
- Always follow proper storage guidelines for reloading components to prevent accidents.
- Ensure adequate ventilation in your workspace to minimize inhalation of dust and fumes.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components for installation.
- Ensure that your Dillon machine is clean and free of debris.

2. Installation Steps:

- Remove the existing shellplate from your Dillon machine.
- Install the new shellplate included in the conversion kit by following the manufacturer's instructions.
- Attach the powder funnel to the machine, ensuring it is securely fastened.
- Place the locator buttons in their designated positions as per the installation guide.

3. Usage Instructions:

- Load the appropriate caliber cartridges into the shellplate.
- Adjust the powder measure according to the specifications for 28 Nosler.
- Follow the reloading process as outlined in your Dillon machine's user manual.
- Regularly check the operation of the machine during use to ensure everything is functioning correctly.

4. PostUse:

- Clean the machine and components after each use to prevent buildup of materials.
- Store the conversion kit and any unused components in a safe and dry location.

Disposal Instructions

- Dispose of any unused or expired reloading components in accordance with local regulations.
- Do not dispose of hazardous materials in regular trash. Follow local guidelines for hazardous waste disposal.
- Recycle packaging materials whenever possible.

Contact Information for Further Support

For any safety inquiries or additional support regarding your Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit, please refer to the manufacturer's contact details provided in the product packaging or on the official Dillon website.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Dillon Caliber Conversion Kit. Thank you for prioritizing safety in your reloading practices.
