Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers 7mm BR Safety Instructions

Introduction

Thank you for choosing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this manual carefully before use.

General Safety Guidelines

- Always follow the manufacturer's instructions and guidelines.
- Ensure that the workspace is clean and free of distractions.
- Keep the product out of reach of children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.
- Regularly inspect the kit for any signs of wear or damage before use.
- Do not use the kit if any components are damaged or missing.
- Store the kit in a cool, dry place away from direct sunlight and moisture.

Specific Safety Precautions for Use

• Hazard Identification:

- Improper use of the reloading kit can lead to serious injury or damage.
- Ensure that all components are compatible with your reloading press model.

• Avoiding Hazards:

- Do not exceed the recommended load specifications for your cartridges.
- Always doublecheck the powder type and charge weight before reloading.
- Make sure the workspace is wellventilated to avoid inhalation of any dust or fumes.
- Avoid distractions while reloading to maintain focus and accuracy.

• AudienceSpecific Warnings:

- This product is intended for use by individuals over the age of 18 who are knowledgeable about reloading practices.
- Keep the kit and reloading materials away from children and pets.

Instructions for Installation and Usage

1. Installation:

- Gather all components of the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit.
- Ensure that your reloading press is properly set up and secured.
- Follow these steps to install the shellplate:
 - Remove the existing shellplate from the reloading press.
 - Align the new shellplate with the indexing mechanism and secure it in place.
- Install the powder funnel:

- Insert the powder funnel into the shellplate, ensuring it fits snugly.
- Attach the locator buttons:
 - Place the locator buttons in their designated positions on the shellplate.

2. Usage:

- Before starting the reloading process, check that all components are correctly installed.
- Refer to the reloading manual for your specific caliber for load data and procedures.
- Always weigh your powder charges to ensure accuracy.
- Monitor the reloading process closely and be prepared to stop if you notice any issues.

Disposal Instructions

- Dispose of any unused or excess reloading materials in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of reloading components in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety or product information, please contact the manufacturer directly through their official channels. Always ensure you have the product details ready for reference.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers 7mm BR. Thank you for prioritizing safety in your reloading practices.
