Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit Safety Instructions

Introduction

Thank you for purchasing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers. This guide provides essential safety instructions to ensure the safe and effective use of your conversion kit. Please read this manual thoroughly before using the product.

General Safety Guidelines

- Always follow the manufacturer's instructions and guidelines when using this product.
- Keep the conversion kit and all reloading equipment out of reach of children and unauthorized users.
- Inspect all components of the kit for damage before use. Do not use damaged parts.
- Ensure a clean and organized workspace to prevent accidents.
- Always wear appropriate safety gear, including safety glasses, when reloading ammunition.
- Be aware of your surroundings and avoid distractions while reloading.
- Store the conversion kit in a secure location when not in use.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper handling or use of the conversion kit can lead to serious injury or damage.
- Always handle reloading components with care to avoid spills or accidents.

- **Avoiding Hazards:**

- Do not exceed the recommended load limits for your reloading press.
- Ensure that the shellplate, powder funnel, and locator buttons are correctly installed before use.
- Never use the conversion kit for any purpose other than its intended use.

- **Age and Audience Specific Warnings:**

- This product is intended for use by adults only. Keep away from children.

Instructions for Installation and Usage

Installation

1. **Preparation:**

- Gather all components of the Dillon Caliber Conversion Kit: Shellplate, Powder funnel, Locator buttons.
- Ensure you have the necessary tools for installation.

2. **Install Shellplate:**

- Remove the existing shellplate from your reloading press.
- Align the new shellplate with the mounting points on the press.
- Secure the shellplate according to the manufacturer's instructions.

3. **Install Powder Funnel:**

- Remove the existing powder funnel if applicable.
- Insert the new powder funnel into the designated area.
- Ensure it is firmly seated and properly aligned.

4. Install Locator Buttons:

- Identify the locator button slots on the shellplate.
- Insert the locator buttons into their respective positions.
- Ensure they are securely fitted.

Usage

• Loading Ammunition:

- Follow the recommended procedures for loading ammunition with your reloading press.
- Always doublecheck measurements and quantities before proceeding.

• Safety Checks:

- Perform a safety check after installation to ensure all components are secure.
- Test the operation of the reloading press with dummy rounds before using live ammunition.

• Maintenance:

- Regularly clean and inspect the conversion kit and reloading press.
- Replace any worn or damaged components immediately.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Recycle packaging materials whenever possible.
- Do not discard hazardous materials in regular waste.

Contact Information for Further Support

For any safety inquiries or support regarding the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit, please refer to the manufacturer's website or customer service resources.

By following these safety instructions and guidelines, you will help ensure a safe and efficient reloading experience. Always prioritize safety when handling any reloading equipment or components.
