Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers Safety Instructions

Introduction

Thank you for choosing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers. This guide provides essential safety instructions to ensure the safe use and installation of your conversion kit. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the kit is used only with compatible Dillon machines: RL300, RL450, RL550, AT500, and BL550.
- Always follow the manufacturer's instructions for the specific Dillon machine you are using.
- Keep the kit and all components out of reach of children and unauthorized users.
- Regularly inspect the kit for any signs of wear or damage before use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.
- Be aware of your surroundings when using this product to prevent accidents or injuries.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the kit for its intended purpose: converting calibers for reloading ammunition.
- Do not attempt to modify or alter any components of the kit.
- Always ensure that the machine is turned off and unplugged before installing or changing components.
- Handle all components with care to avoid injury.
- Follow all local laws and regulations regarding ammunition reloading and storage.
- Avoid distractions while using the reloading equipment to maintain focus and safety.

Instructions for Installation and Usage

1. Installation of the Conversion Kit

- Ensure the Dillon machine is powered off and unplugged.
- Remove any existing shellplate from the machine.
- Select the appropriate shellplate for the 730 Waters caliber from the conversion kit.
- Install the shellplate securely onto the machine.
- Insert the powder funnel into the designated area.
- Attach the locator buttons as per the machine's instructions.

2. Usage of the Conversion Kit

- Verify that all components are securely installed before starting the reloading process.
- Follow the reloading procedure specific to the 730 Waters caliber.
- Monitor the reloading process closely for any irregularities or issues.
- After use, turn off and unplug the machine.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local waste disposal regulations.
- Ensure that all materials are disposed of in a safe and environmentally friendly manner.
- Do not dispose of the product in regular household waste if it is deemed hazardous.

Contact Information for Further Support

For any inquiries regarding safety or product support, please reach out to the designated EU contact point provided by the manufacturer. It is important to have access to support for any safety concerns or product questions.

By following these safety instructions, you can ensure a safe and effective experience with your Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
