Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit Safety Instructions

Introduction

Thank you for choosing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit. This guide provides essential safety information to ensure the safe and effective use of this product. Please read these instructions carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this manual.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Keep the workspace clean and organized to prevent accidents.
- Store the conversion kit and all components out of reach of children and unauthorized users.
- Regularly inspect your equipment for wear and damage. Replace any damaged parts immediately.
- Be aware of your surroundings and ensure that you are not distracted while using the equipment.

Specific Safety Precautions for Use

- Only use the conversion kit with compatible Dillon machines: RL300, RL450, RL550, AT500, and BL550.
- Ensure that the machine is turned off and unplugged during installation and maintenance.
- Follow all instructions carefully to avoid injury and equipment damage.
- Do not attempt to modify or alter the conversion kit or any related components.
- If you experience any issues during use, stop immediately and consult the troubleshooting section of the manual or seek professional assistance.

Instructions for Installation and Usage

1. Installation of the Conversion Kit:

- Gather all components of the conversion kit: Shellplate, Powder funnel, and Locator buttons.
- Ensure that your Dillon machine is turned off and unplugged.
- Remove the existing shellplate from your machine by following the manufacturer's instructions.
- Install the new shellplate by aligning it with the machine's mounting points and securing it in place.
- Insert the powder funnel into the appropriate position according to the manufacturer's guidance.
- Place the locator buttons into their designated slots, ensuring they fit snugly.

2. Usage of the Conversion Kit:

- Before starting, doublecheck that all components are securely installed.
- Load the appropriate caliber of ammunition as indicated by the conversion kit specifications.
- Follow the Dillon machine's operating instructions for reloading ammunition.
- Monitor the reloading process closely to ensure consistent performance and safety.
- After use, clean the equipment to maintain optimal performance.

Disposal Instructions

- Dispose of any packaging materials and components in accordance with local regulations.
- If the product is damaged or no longer needed, please contact local waste management services for proper disposal methods.

- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit, please refer to the manufacturer's website or contact their customer service for assistance.

Conclusion

By following these safety instructions, you can ensure a safe and effective reloading experience with the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit. Always prioritize safety and compliance with the guidelines provided. Thank you for your attention to these important safety measures.
