# Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers Safety Instructions

## Introduction

Thank you for choosing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers. This kit is designed to enhance your reloading experience while ensuring safety and efficiency. Please read this manual carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always read and understand the product instructions before use.
- Keep the conversion kit out of reach of children and vulnerable individuals.
- Ensure that the reloading area is well-ventilated and free from distractions.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the kit.
- Do not use the kit for any purpose other than its intended use.
- Regularly inspect the conversion kit for any signs of wear or damage before each use.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Risk of injury from improper handling of reloading components.
- Risk of explosion or fire if flammable materials are present.
- Risk of mechanical injury from moving parts of the reloading press.

### • Avoiding Hazards:

- Always ensure that the reloading press is in a stable position before use.
- Keep flammable materials away from the reloading area.
- Follow the manufacturer's instructions for the proper assembly and disassembly of the conversion kit.
- Do not exceed the recommended load limits specified in the reloading press manual.
- Ensure that all components are compatible and properly secured before operating the press.

### • Age-Specific Warnings:

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Always supervise minors when they are in the vicinity of the reloading area.

## Instructions for Installation and Usage

### 1. Installation:

- Gather all components of the Dillon Caliber Conversion Kit: shellplate, powder funnel, and locator buttons.
- Refer to the reloading press manual for specific instructions on how to remove the existing components.

- Install the shellplate by aligning it with the mounting points on the reloading press.
- Secure the shellplate using the provided hardware, ensuring it is tightened properly.
- Insert the powder funnel into the shellplate, ensuring a snug fit.
- Attach the locator buttons as per the instructions in the reloading press manual.

## 2. Usage:

- Before starting the reloading process, doublecheck that all components are installed correctly.
- Set the desired caliber on the reloading press according to the instructions in the manual.
- Carefully measure and prepare the components needed for reloading, following all safety guidelines.
- Operate the reloading press according to the manufacturer's instructions, maintaining focus and caution throughout the process.
- After reloading, clean the workspace and store the conversion kit in a safe place.

## Disposal Instructions

- Dispose of any unused or expired reloading components in accordance with local regulations.
- Do not dispose of the conversion kit in regular household waste. Check with local authorities for proper disposal methods.
- If the conversion kit is damaged beyond repair, ensure it is disposed of in a manner that prevents any potential hazards.

## Contact Information for Further Support

For any questions or concerns regarding the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for prioritizing safety while using the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit. Your adherence to these guidelines helps ensure a safe reloading experience.
