Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit Safety Instructions

Introduction

Thank you for choosing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers. This product is designed to enhance your reloading experience safely and efficiently. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the conversion kit and all reloading components out of reach of children and unauthorized users.
- Use the product only for its intended purpose as described in this manual.
- Regularly inspect the conversion kit for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of your Dillon reloading machine before using the conversion kit.
- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading.
- Do not exceed the recommended load limits specified by the manufacturer.
- Keep your workspace clean and organized to prevent accidents.
- Avoid distractions while reloading to maintain focus on the task at hand.

Instructions for Installation and Usage

Installation

1. **Gather Required Tools:** Ensure you have all necessary tools and components before starting the installation.
2. **Remove Existing Shellplate:** Turn off and unplug your reloading machine. Remove the existing shellplate according to the manufacturer's instructions.
3. **Install New Shellplate:**
 - Align the new shellplate with the mounting points on the reloading machine.
 - Securely fasten the shellplate using the provided screws.
4. **Attach Powder Funnel:**
 - Insert the powder funnel into the designated opening on the shellplate.
 - Ensure it is securely in place.
5. **Install Locator Buttons:**
 - Place the locator buttons in their respective positions.
 - Verify that they are properly seated.

Usage

- Refer to the Dillon reloading machine manual for specific operational guidelines.
- Use the conversion kit exclusively with compatible calibers, specifically the 356 Winchester.
- Monitor the reloading process for any irregularities or malfunctions.
- After reloading, clean the conversion kit and machine components to maintain optimal performance.

Disposal Instructions

- Dispose of any unused or expired reloading components according to local regulations.
- Recycle packaging materials where possible.
- Do not dispose of hazardous materials in regular waste; follow your local waste management guidelines for safe disposal.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit, please contact the designated support service in your region.

By adhering to these safety instructions, you will ensure a safe and efficient reloading experience with your Dillon Caliber Conversion Kit. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
