Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit Safety Instructions

Introduction

Thank you for choosing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers. This product is designed to help you safely and efficiently convert your reloading press for use with the 300 Ruger Compact Magnum cartridge. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU safety regulations.

General Safety Guidelines

- Ensure that the reloading press is used in accordance with the manufacturer's instructions.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading equipment and components.
- Keep the reloading area clean and organized to minimize hazards.
- Store all components, including the conversion kit, in a safe and secure location, away from children and pets.
- Regularly inspect your equipment for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Only use the Dillon RL550, RL450, RL300, AT500, or BL550 machines with this conversion kit.
- Ensure that the conversion kit is compatible with the specific model of your reloading press.
- Do not exceed the recommended load limits for the 300 Ruger Compact Magnum cartridge.
- Avoid distractions while using the reloading press to maintain focus and prevent accidents.
- Follow all recommended procedures for reloading, including proper powder handling and bullet seating.
- Keep all components away from heat sources and open flames.

Instructions for Installation and Usage

1. Installation of the Conversion Kit

- Unpack the conversion kit and verify that you have all components: shellplate, powder funnel, and locator buttons.
- Refer to the reloading press manual for specific installation instructions.
- Install the shellplate securely onto the reloading press, ensuring it is properly aligned.
- Attach the powder funnel to the shellplate, making sure it fits snugly.
- Insert the locator buttons into the designated positions on the shellplate.

2. Using the Conversion Kit

- Ensure that the reloading press is turned off and unplugged before starting any work.
- Prepare your workspace by gathering all necessary materials, including the 300 Ruger Compact Magnum cartridges, powder, and bullets.
- Follow the reloading press manual for operating instructions and procedures.
- When loading cartridges, pay close attention to the powder measurements and bullet seating depth.
- After reloading, inspect each cartridge for defects before use.

3. PostUse Safety

- Clean the reloading press and conversion kit after use to prevent residue buildup.
- Store the conversion kit and all components in a dry and safe location.
- Regularly check for any wear and tear on the components and replace as necessary.

Disposal Instructions

- Dispose of any unused or expired components in accordance with local regulations.
- Do not throw away hazardous materials in regular household waste.
- For environmentally safe disposal, contact local waste management services for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit, please refer to the manufacturer's website or contact your local dealer for assistance.

Thank you for your attention to these safety instructions. Your adherence to these guidelines will help ensure a safe and enjoyable reloading experience.
