Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit Safety Instructions

Introduction

Thank you for choosing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit. This product is designed to enhance your reloading experience for rifle calibers, specifically the 30378 Weatherby Magnum and 300 Dakota. It is essential to follow safety guidelines to ensure safe and effective use of this product.

General Safety Guidelines

- Always read and understand the instruction manual before using the product.
- Ensure that the workspace is clean, organized, and free from distractions.
- Keep this product out of reach of children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Regularly inspect the equipment for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the use of reloading equipment and components.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the caliber conversion kit is compatible with your Dillon machine model (RL300, RL450, RL550, AT500, BL550).
- Do not attempt to modify or alter the components of the conversion kit.
- Always use the correct shellplate, powder funnel, and locator buttons as specified in the kit.
- Avoid overloading the machine beyond its specified limits.
- Never leave the reloading process unattended.
- Store all components in a cool, dry place to prevent deterioration.
- In case of an emergency, know the location of the nearest first aid kit and emergency services.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary components: shellplate, powder funnel, and locator buttons.
- Ensure your Dillon reloading machine is turned off and unplugged.

2. Installation

- Remove the existing components from your Dillon machine.
- Install the new shellplate by aligning it with the mounting points and securing it in place.
- Attach the powder funnel, ensuring it fits snugly into the shellplate.
- Place the locator buttons in their designated positions to ensure proper alignment.

3. Usage

- Set up your machine according to the standard operating procedures for reloading.
- Load the correct caliber cartridges as specified in the conversion kit.
- Monitor the reloading process closely, checking for any irregularities or malfunctions.
- After reloading, ensure that all components are cleaned and stored properly.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Recycle materials whenever possible, following local recycling guidelines.
- Avoid disposing of any components in regular household waste if they contain hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit, please reach out to your local Dillon representative or refer to the official Dillon website for additional resources and support.

By following these safety instructions, you ensure a safer reloading experience with your Dillon Caliber Conversion Kit. Thank you for your attention to safety and enjoy your reloading activities!
