# Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit Safety Instructions

## Introduction

Thank you for choosing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers. This guide is designed to provide you with important safety information and instructions to ensure the safe and effective use of your reloading press accessories. Please read through this document carefully before using the product.

## General Safety Guidelines

- Always read and follow the instructions provided in this guide.
- Ensure that the reloading press is in good working condition before use.
- Keep the work area clean and organized to prevent accidents.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling reloading components.
- Store all components in a safe place, out of reach of children and pets.
- Do not use the conversion kit for any purpose other than intended.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the reloading press is securely mounted and stable before installation.
- Verify that the caliber conversion kit is compatible with your specific Dillon model.
- Handle all components with care to avoid injury.
- Avoid distractions while using the reloading press.
- Do not exceed the recommended load limits for your reloading press.
- Follow all manufacturer guidelines for powder and primer usage.
- Be aware of potential hazards associated with reloading, including the risk of fire and explosion.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure the reloading press is unplugged and in a safe position.
2. **Remove Existing Components:** Take off any existing shellplate or components from the reloading press.
3. **Install Shellplate:**
  - Align the new shellplate with the press.
  - Secure it in place according to the manufacturer's specifications.
4. **Install Powder Funnel:**
  - Attach the powder funnel to the shellplate.
  - Ensure it is firmly in place to avoid leaks during operation.
5. **Install Locator Buttons:**
  - Insert locator buttons as per the instructions provided with the kit.
  - Confirm they are correctly positioned to ensure proper alignment.

### Usage

1. **Setup:**
  - Ensure all components are correctly installed and secure.
  - Check that the press is stable and ready for operation.

## 2. **Reloading Process:**

- Follow the manufacturer's guidelines for the reloading process.
- Monitor the operation closely for any irregularities.

## 3. **PostOperation:**

- After reloading, clean the press and components to maintain performance.
- Store all components safely and securely.

## **Disposal Instructions**

- Dispose of any unused or expired components in accordance with local regulations.
- Do not dispose of hazardous materials in regular trash.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit, please refer to the manufacturer's website or customer support resources.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy your reloading experience!
