# Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit Safety Instructions

## Introduction

Thank you for purchasing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual thoroughly before use.

## General Safety Guidelines

- Ensure you are familiar with the operation of your reloading press before using this conversion kit.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment and components.
- Keep the conversion kit and all reloading components out of reach of children and unauthorized individuals.
- Do not use the conversion kit for any purpose other than intended.
- Regularly inspect the conversion kit for wear or damage before each use.
- Report any unsafe products or accidents to local authorities.

## Specific Safety Precautions for Use

- Ensure that the reloading press is securely mounted and stable before installation of the conversion kit.
- Verify that the reloading press is not connected to any power source during installation.
- Use only the specified components included in the conversion kit (Shellplate, Powder funnel, Locator buttons).
- Do not attempt to modify or alter any components of the conversion kit.
- Follow all manufacturer guidelines for the specific caliber you are using.
- Store the conversion kit in a dry, cool place to prevent damage from moisture or extreme temperatures.

## Instructions for Installation and Usage

### Installation

#### 1. Prepare the Reloading Press

- Ensure the reloading press is clean and free of any debris.
- Disconnect any power sources if applicable.

#### 2. Install the Shellplate

- Remove the existing shellplate from the reloading press.
- Align the new shellplate with the mounting points on the reloading press.
- Secure the shellplate in place according to the manufacturer's instructions.

#### 3. Install the Powder Funnel

- Remove any existing powder funnel from the reloading press.
- Insert the new powder funnel into the appropriate position.
- Ensure it is securely fastened and correctly aligned.

#### 4. Install Locator Buttons

- Identify the correct positions for the locator buttons on the shellplate.

- Firmly press the locator buttons into place until they are secure.

## **Usage**

- Follow the reloading press instructions for operating the press with the new caliber conversion kit.
- Always doublecheck that all components are securely installed before beginning the reloading process.
- Use the appropriate reloading data for the caliber you are working with to ensure safe and effective reloading.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If any components of the conversion kit are damaged or no longer usable, follow local guidelines for the disposal of electronic or mechanical parts.

## **Contact Information for Further Support**

For any questions or concerns regarding the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit, please refer to your retailer or the manufacturer for assistance. Always ensure you are using the most current information and guidelines.

Thank you for choosing Dillon Precision Products. Your safety is our priority.
