Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit Safety Instructions

Introduction

Thank you for choosing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers. This guide provides essential safety instructions and operational guidelines to ensure the safe and effective use of your conversion kit. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in this manual.
- Always handle ammunition and reloading equipment with care to prevent accidents.
- Keep the conversion kit and all reloading components out of reach of children and unauthorized individuals.
- Regularly inspect the conversion kit for signs of wear or damage before each use.
- Store the conversion kit in a dry, cool place away from direct sunlight and moisture.
- Follow all local laws and regulations regarding ammunition reloading and storage.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment and components.
- Ensure that your work area is welllit and free from clutter to minimize the risk of accidents.
- Do not exceed the recommended load data provided by the manufacturer when reloading ammunition.
- Avoid distractions while reloading to maintain focus and prevent mistakes.
- Do not use damaged or worn components, as they may lead to malfunctions or accidents.
- Be aware of your surroundings and ensure that no unauthorized persons are present in your workspace while reloading.

Instructions for Installation and Usage

Installation Steps

1. **Gather Required Tools:** Ensure you have all necessary tools and components before starting the installation.
2. **Prepare the Reloading Press:** Make sure your Dillon RL300, RL450, RL550, AT500, or BL550 machine is clean and properly set up.
3. **Install Shellplate:**
 - Remove the existing shellplate from the reloading press.
 - Align the new shellplate with the mounting points and secure it in place according to the manufacturer's instructions.
4. **Attach Powder Funnel:**
 - Insert the powder funnel into the shellplate.
 - Ensure it is securely fitted to prevent any leakage during operation.
5. **Install Locator Buttons:**
 - Place the locator buttons in their designated positions on the shellplate.
 - Ensure they are firmly in place for accurate cartridge alignment.

Usage Instructions

1. **Set Up Your Work Area:** Ensure your workspace is organized and free from hazards.
2. **Load Components:**

- Place the appropriate caliber ammunition components into the shellplate.
 - Follow the recommended load data for your specific caliber (4065 Winchester).
3. **Begin Reloading:**
- Operate the reloading press according to the manufacturer's guidelines.
 - Monitor the process closely to ensure safety and accuracy.
4. **Inspect Finished Ammunition:**
- Carefully examine each round for any defects or inconsistencies.
 - Store finished ammunition in a safe and secure location.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not throw away reloading materials in regular trash; check for local hazardous waste disposal options.
- Ensure that all empty containers and packaging materials are disposed of safely to prevent environmental contamination.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's website or contact your local dealer. Always keep this manual for future reference and ensure that anyone using the conversion kit is familiar with these safety instructions.

Thank you for prioritizing safety while using the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit. Your attention to these guidelines helps ensure a safe and successful reloading experience.
