Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit Safety Instructions

Introduction

Thank you for purchasing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your conversion kit. Please read this manual carefully before use to understand the potential hazards and necessary precautions.

General Safety Guidelines

- Always use the conversion kit according to the manufacturer's instructions.
- Ensure that the conversion kit is compatible with your reloading press model.
- Keep the conversion kit and all related components out of reach of children and pets.
- Regularly inspect the conversion kit for any signs of wear or damage before use.
- Use personal protective equipment (PPE) such as safety glasses and gloves when reloading.
- Do not exceed the recommended load specifications for your reloading press.
- Store the conversion kit in a dry, cool place away from direct sunlight.

Specific Safety Precautions for Use

- **Cartridge Safety:** Only use cartridges that are compatible with the Dillon RL550 / RL450 / RL300 / AT500 / BL550 systems. The kit is designed specifically for the 8 x 68 S cartridge.
- **Powder Handling:** Handle all powders with care. Keep them in their original containers and store them safely.
- **Work Area:** Ensure your work area is wellventilated and free of clutter. Avoid distractions while reloading.
- **Emergency Procedures:** Familiarize yourself with emergency procedures in case of an accident or malfunction during use.
- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that younger individuals are supervised if present in the work area.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is turned off and unplugged before installation.
- Remove any existing shellplate from the reloading press.
- Install the new shellplate included in the conversion kit, ensuring it is securely fastened.
- Attach the powder funnel to the appropriate station on your press.
- Install locator buttons as per the instructions provided with the kit.
- Doublecheck all components for secure installation before proceeding.

2. Usage:

- Set up your reloading press according to the manufacturer's instructions.
- Load the appropriate cartridge cases into the shellplate.
- Carefully measure and add powder to the cases using the powder funnel.
- Follow your specific reloading recipe for the 8 x 68 S cartridge.
- Monitor the reloading process closely and do not leave the press unattended.
- After reloading, inspect each cartridge for proper assembly and function.

Disposal Instructions

- Dispose of any packaging materials according to local regulations.
- If you need to dispose of the conversion kit or any damaged components, check with your local waste management facility for proper disposal methods.
- Do not throw away hazardous materials, such as powders or primers, in regular trash. Follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any questions or concerns regarding the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit, please refer to the manufacturer's website or contact their customer service for further assistance.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience. Thank you for choosing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit.
