Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers Safety Instructions

Introduction

Thank you for purchasing the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit for Rifle Calibers. This guide provides essential safety instructions and information to ensure your safe and effective use of this product. Please read this manual carefully before use.

General Safety Guidelines

- Always operate the machine according to the manufacturer's instructions.
- Ensure that the workspace is clean and free from obstructions.
- Keep the area wellventilated while using the product.
- Store all components in a safe location, out of reach of children.
- Regularly inspect the kit for any signs of damage or wear before use.
- In case of any malfunction, stop using the product immediately and consult the manufacturer.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only the specified Dillon RL series machines for this conversion kit.
- Ensure that the machine is powered off before installation or maintenance.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves during use.
- Avoid wearing loose clothing or jewelry that could get caught in the machinery.
- Do not exceed the recommended load limits specified in the machine's manual.
- Ensure that all tools and accessories used are in good condition and suitable for the task.
- Be aware of your surroundings and ensure that no one else is in close proximity while operating the machine.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components from the kit: shellplate, powder funnel, and locator buttons.
- Ensure the machine is turned off and unplugged.

2. Installation:

- Remove any existing shellplate from the machine.
- Install the new shellplate by aligning it with the mounting points and securing it in place.
- Attach the powder funnel by inserting it into the designated opening on the shellplate.
- Place the locator buttons in their respective positions to ensure proper alignment during operation.

3. Usage:

- Before starting, doublecheck that all components are securely installed.
- Power on the machine and ensure it is functioning correctly.
- Follow the specific loading and operation procedures outlined in the machine's manual.

- Monitor the process closely, ensuring that no obstructions or malfunctions occur.

4. PostUse:

- After use, turn off and unplug the machine.
- Clean the components and store them in a safe location.
- Regularly inspect the kit for wear and replace any damaged components as necessary.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Avoid disposing of materials in regular household waste if they are considered hazardous.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or assistance regarding the Dillon RL550 / RL450 / RL300 / AT500 / BL550 Caliber Conversion Kit, please refer to the manufacturer's contact details provided with your product.
